Report from the Commodore

It's November and the yard is full of boats. This year has really flown by so far. Hopefully it keeps moving and takes this Virus with it. Just a couple notes, Thank you all for the effort with the restrictions in place, we are all hoping we can get to some type of normal soon. As I hear the Governor speak he is not giving any hints of lifting any restrictions. As he does we will comply. Also please clean up your table when you are in the clubhouse. Most are doing well. This is just a reminder that all of us need to do this.

There are 3, 30 minute parking only signs next to the pavilion. Two are for loading and unloading your vehicle and the other is for events that use the galley. These will only be out during the boating season.

The Commodores Ball went on as it was rescheduled and had a great turn out. Thank you for all that attended. We all had quite a good time. Plus Lady Moe and I would like to thank you to my Ball Committee for doing such a fantastic job especially after needing to change the venue. The decorating was awesome.

As we continue forward there will be many events coming up, fundraisers etc. They will be posted in the clubhouse and sent out in social media. Please help support the upcoming officers.

One last item this month is I want to thank Mike DeAngelo and Greg Snyir for the work in the yard. You guys have done a great job and it looks great out there.

If at any time you have questions or concerns please feel free to contact me.

Report from the Rear Commodore

**Rear Commodore
Christopher Sackett**

Hello BVYC,

Congratulations to our newly elected Officers and Board Members. I look forward to working with each of you in 2021!

The October 16 evening with soulful, solo-acoustic, singer/songwriter, Chad Hoffman (chadsolo.com) and sold-out Lasagna Dinner were enjoyed by all who attended. A Big Thanks to everyone that pitched-in to make that

event a success.

Our annual Friends Giving Dinner will be Saturday, November 21 from 5-7. Bring a dish-to-pass and join us. It is a great way to catch-up with old friends and make some new ones.

The Michigan Ohio State football game is scheduled for December 12. We will be having a chili cook-off. Whip up a batch of chili and join us.

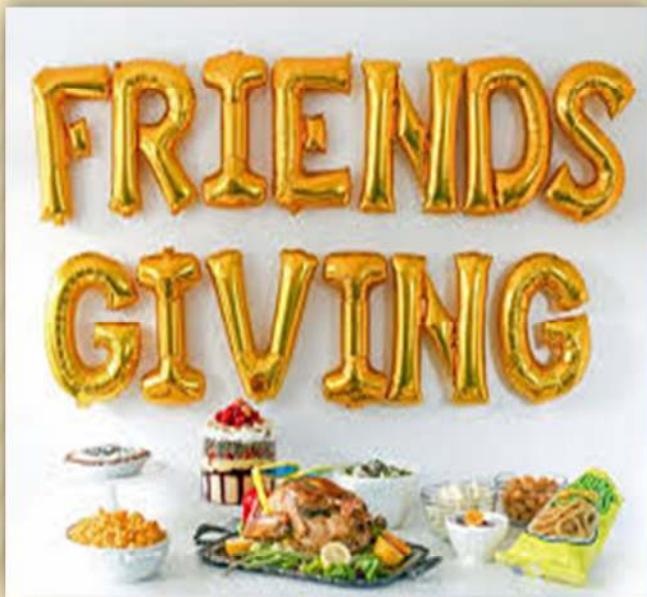

Reminder: To ensure everything runs as smooth as possible, all club private party reservations will be scheduled via the bar. We are accepting reservations but we cannot guarantee your event will be held. It will depend on the size and type of event. If you would like to make a reservation, please see Bar Manager Tony Blank or myself and we will get you on the calendar.

See you at the Club!

The Best Boat Winterizing Checklist

And everything else you ever wanted to know about putting away a recreational boat for the season

SPRINGFIELD, Va., Sept. 16, 2020 – Boaters in much of the U.S. and Canada acknowledge the need to winterize their boat's engines each autumn. But what else can go wrong? Boat Owners Association of The United States ([BoatUS](#)) offers boat owners a free online resource at [BoatUS.com/Winterization](#). The website is chock full of winterizing checklists, tips, and a downloadable Boaters Guide to Winterizing to help all vessel owners ensure their boats are stored safely for the winter.

“In addition to winterizing the engine, there are a few other important things boaters should know,” said BoatUS Vice President of Public Affairs Scott Croft. “Like [should you use a plug-in heater?](#) How do you [store a boat that has E10 fuel in the tank?](#) Or once preparations are done, [how can you keep your boat safe over the winter months?](#)”

In addition to a [boat engine winterization checklist](#) for both outboard and inboard engines and another on [what to look out for over the long winter lay-up period](#), [BoatUS.com/Winterization](#) also offers [off-season outboard care tips](#) and help with [what to do if the winter storm of the century approaches](#). Following the winterization guidelines from BoatUS will help ensure you get back on the water faster next spring.
