## Report from the Commodore

I would like to thank everyone for coming out to the change of watch on January 14<sup>th</sup> to welcome in the new Bridge members and present Board.

I would also like to thank the members of BVYC in giving me this great honor to represent our club this year. As I said I have big shoes to fill since all past commodores feet are much larger than mine.

My thoughts for P/C Mark Gensler as he takes his silver applets is Thank you for your 3 years of dedication to BVYC and now as you take a deep breath enjoy the following years, knowing you are not in charge.

I would like to thank Doug LaLonde and Lady Erin for the great job they did putting on all the parties in 2014 and especially New Year's Eve—what a good time by all.

My biggest thank you is to all of you that came out and helped and participated in the club functions.

Mike and I attended ORYC Commodore's Ball on January 17<sup>th</sup>. Congrats to Commodore Josh Vail and Lady Nicole for a wonderful night.

Coming up we have a bus trip to Greek Town Casino on February 14<sup>th</sup>, bring your favorite gal or guy and you just never know you might be the next millionaire. Signup sheets are behind the bar and see flyers for the details.

Fish/Shrimp dinners will be back for lent. Flyers are in the club and in this newsletters, mark your calendars. You can't beat \$10.00.

Commodore's Ball is March 21, 2015. It will be held at the French Quarters. Keep this date open and come out and have dinner and dancing with the Bridge and Board.

AYC Ball February 20 and 21st is at the French Quarters this year. You must have a ticket to enter. The tickets are behind the bar or contact P/C Steve Berry.

Homecoming this year Aug 21st and 22<sup>nd</sup> and will be chaired by Jeff Durbin and his committee.

Committee's – we need a few good men or women to step forward and help with the yard this year and also the water lines. Rick Wagner and Ralph Debbe have both told me there are willing to stay on and train. Both of these young men have done an EXCELLENT job but feel it is time to turn over the reins.

Please watch for flyers and e-blasts for upcoming events. Go on the website for BVYC to see all upcoming events on the calendar. If you do not receive e-blasts please let us know ASAP so we can inform you.

Now that I have my feet wet with the first ½ meeting I chaired, I am ready to start this year on the right foot.

Please contact any Bridge or Board member if there are any concerns or changes you would like to see. We are here to listen to one and all.

Commodore, Colleen Cashman

## Report from the Vice Commodore

Vice Commodore  
Douglas LaLonde

Hello Again,

Erin and I hope everyone has made the best of winter so far. I hope everyone had a good time at the Change of Watch ceremony. I was glad to see so many fellow members could attend after the general meeting. I hope I see as many members at events coming up through the year as we had attend Change of Watch. If anyone needs hours please check with Tony or me; there is always a task that needs to be addressed and completed. Please don't be afraid to call one of us.

My upcoming intentions to attract membership are to possibly advertise for membership in The City Paper and the Toledo Free Press. My focus will be on the fact we are one of a few places that has deep water and fair priced dockage with a chance to claim part ownership to a 110 year old club. If there are any suggestions please let me know. Our updated membership count is at 203 active and 96 social, we need some good thought to fix these numbers. Please email me with your thoughts and/or ideas. I need them.

To move on to current business, I would like to notify the membership of upcoming changes.

First, I would like to congratulate Ben Davis Jr. on being our newest member sworn in on Wednesday, January 14, 2015. Next, memberships that change to Social status from active are Mike Cassidy, Terry Obliske, and Kelly Enneper. I would like to remind them that your more than welcome to participate in club functions and use of the main facility. Lastly, Membership changes from active/social to resigned are Jeff Kalinoski, Pete Petersen, and Jeffery Davis. I would like to wish them good luck on future endeavors and let them know the invite is always open to come back when life provides the chance; we will miss you.

That's all for Now

Doug L your Vice.

### **Regular BVYC Billing Schedule**

It is your responsibility to know Bay View's billing schedule and policies.**

## Report from the Rear Commodore

Rear Commodore  
Anthony Blank

Not much to report on this month, so I'll keep it short, sweet, and to the point...

So far we have had a good turnout for the dinners that I have put on. Again if anyone has any suggestions or needs work hours and would like to help out please let me know. Here are the upcoming events that are on the calendar as of right now.

March 15<sup>th</sup> Jigs Dinner

March 29<sup>th</sup> Kids Easter party

April 17<sup>th</sup> Chicken Paprikash dinner

And to wash the winter blues away and welcome spring we will be having [Margaritaville](#) on May 2<sup>nd</sup>, which will be hosted by our Vice commodore Doug and Erin and myself, we are planning on a bigger and better event than last year.

Remember... only 43 days till spring!!

Your Rear,

Tony Blank

### Inter-Lake Yachting Association (I-LYA) Report

Here is an update from the I-LYA fall meeting for those of you who *participate* in the I-LYA Powerboat Regatta. During the Powerboat Committee meeting, I learned that several long-time committee chairmen resigned their chairs for various reasons. I extend my appreciation and gratitude to these fellow boaters, some of whom have performed these committee jobs for 10 – 20 years. However, this has created an opportunity for other boaters to get involved in helping to host the I-LYA Powerboat regatta. The following chairman positions are open:

- |                            |                    |                        |
|----------------------------|--------------------|------------------------|
| - Docking Contest          | - Hot Dog Roast    | - Sports Ashore - West |
| - Junior Volleyball        | - Junior Putt-Putt | - Children's Games     |
| - Fishing Derby - Children |                    |                        |

Also, during the meeting I was asked by Commodore George Marx of WRYCC if BVYC would be interested in hosting the golf cart shuttle service during the regatta. WRYCC is unable to continue to host this invaluable service and seeking a club, or clubs to host it.

Please contact me if you are interested in learning more about any of these committee chair positions. Ideally, these positions will be filled by the I-LYA Spring meeting on 3/28/15.

P/C Scott Kneisel

I-LYA Delegate

## **Special Announcements**

### **NASCAR WINNERS**

Kevin Harvick won the 2014 NASCAR championship. The 1994 NASCAR winners from Bay View were: Tony Blank, 1<sup>st</sup> place; Doug Berry, 2<sup>nd</sup> place; Vickie Stockard, 3<sup>rd</sup> place, Brett Rogers, 4<sup>th</sup> place; and Brian Rogers, 5<sup>th</sup> place.

Steve Cummerow won the Chase and Paul Schultz was the Rookie of the Year. The most wins competition ended in a four way tie between Steve Cummerow, Monica Jankowski, Brett Rogers, and Brian Rogers. They each had four wins. The Berry family has added their own unique twist to the Bay View NASCAR competition. Brad created their own trophy in 2009 which is engraved and passed around each year to the member of the family who finishes highest in the competition.

NASCAR packets are now available behind the bar for the 2015 season. The Bay View NASCAR team welcomes new participants and will be glad to help rookies learn the ropes.

NASCAR kickoff party will be February 22 – it starts when the green flag drops. Bring a dish to pass and join in the fun.

A few statistics from 2014: If the points for all 36 races were used to pick the winner Jeff Gordon would have been the champion. If only the points from the Chase we used Joey Logano would have won.

### **Coast Guard Auxiliary Flotilla 16-13 Change of Watch**

Flotilla 16-13, based at Bay View Yacht Club, held their change of Watch ceremony Tuesday, January 13 2015. Tamara Wioland was sworn in as Flotilla Commander, with Ed Fairchild sworn in as Vice Commander. This is a role reversal for both, as Ed was the outgoing Commander, and Tami, the Vice. Either way, the Flotilla is well tended by these two dedicated Auxiliarists.

Bay View members Monica Jankowski, Robert Stauffer, and John Wlodarczyk, all past commanders of the flotilla, were among those who volunteered to serve as staff officers for 2015.

**Urgent Reminder > BVYC Change of address.** No we didn't move. However, all correspondence should be mailed to P.O. Box 5036 Toledo, OH 43611. The post office will stop forwarding mail soon to the Summit street address. Please change this in your address books today.

# Bay View has ValvTect Products in our Gas Tanks

## ValvTect Marine Gasoline

Your boat's marine gasoline engine is forced to operate at higher RPMs and loads than your car or truck engine and can consume up to 10 times more fuel per hour of operation. It is also more susceptible to phase separation, corrosion and fuel stability problems caused by ethanol blended gasoline.

ValvTect Marine Gasoline is "specially formulated" for marine engines and is designed to prevent the problems of ethanol gasoline, such as phase separation, moisture, poor stability and the formation of power-robbing carbon deposits.

ValvTect Marine Gasoline is "specially formulated" for your marine gasoline engine. It requires no additional fuel additives to protect your engine, eliminating any risk of improper additive use and saves time and money.

ValvTect Marine Gasoline protects your marine engine with these additional features and benefits.

VALVTECT MARINE GASOLINE VS. AUTOMOTIVE GASOLINE		
Features & Benefits	ValvTect	Automotive
Helps Prevent Ethanol Related Problems	Yes	No
Stabilized For Up To 1 Year	Yes	No
Contains Extra Corrosion Inhibitor	Yes	No
Contains Extra Moisture Dispersants	Yes	No
Cleans-up Fuel Injector Deposits	Yes	No
Cleans-up Intake Deposits	Yes	No
Cleans-up Combustion Chamber Deposits	Yes	No
Reduces Harmful Exhaust Emissions <sup>1</sup>	Yes	No
Improves Power and Performance <sup>1</sup>	Yes	No
