Halloween Party

Report from the Commodore

Summer has come to an end and Fall is here--What a whirl wind of summer and I can hardly believe that it is just about over. Hopefully, everyone has had an exciting summer and traveled far and close and visited the clubs and islands that you wanted to see and enjoy.

The Commodore balls will be starting up again so I will report on those in the next newsletter as there will be 5-6 that Mike and I will be attending. The Color Cruise will be October 3rd starting at BVYC and travelling up and down the Maumee river to the other clubs. If you have not been on one please come out and join in as it is a lot of fun and you will meet a lot of nice people along the way. Please ask around if you need a ride--- as I am sure someone would be glad to take you along if you have never been on our color cruise.

Make sure you come out on October 14th to the regular meeting to vote on your upcoming officers and trustees. These men and women are here to work for you and support you and keep BVYC in compliance with our constitution. You, as BVYC members, vote them into the position they are in and if you want a change in any of the areas come out and vote the best man or woman into office.

Till next month,

Colleen Cashman

Commodore

Report from the Vice Commodore

Vice Commodore
Douglas LaLonde

Hello all, I hope you all had a fun summer this year. It's getting to that time where we have to wrap it up for another season. Erin and I had a great summer. This year we were able to make it to the last poker run; it was a good weekend for it. There are very few good warm days left, so let's make the best out of this year's boating season.

To Move on, I would like to thank Keith Hymore for the Car Show at the regatta on Saturday. Keith was diligent in his efforts to promote this car show. Please give Keith a pat on the back for arranging this show during Bay View's busiest weekend.

In a side note, if there is a problem at the club that needs to be addressed, I would like to remind everyone to please discuss it with that particular committee chairman in charge. Please refer to the club's bi-laws for each chairman's responsibility. Feel free to ask me about membership issues you may have

To end, we are in the process of recruiting 6 new members Jennifer Belt, and Kevin Kreft had been voted in and 4 are in reading process. I would like to give Craig Timms and his family a good fair well he resigned recently due to moving. Are current member totals are 218 Active and 96 Social.

That's all for now
V/C Doug Lalonde

**Join us for a Halloween Party on
October 31st. Prizes for best costume.**

**Winter storage slips are due in by September 1st.
Please be diligent to assist with the haul out
schedule.**

**If you have not picked your new membership cards
and door cards please contact either Doug Lalonde
or Tony Blank to schedule a time to get your cards.**

Report from the Rear Commodore

Rear Commodore
Anthony Blank

It's that time of year and once again I am sad to see summer coming to an end and boats coming out of the water. But don't let that stop you from coming out to the club. Coming up in the next couple months I am working on a Halloween pig roast, and a few other dinner and entertainment. So keep an eye out for more info to come. If anyone has any other ideas for parties please let me know. I am always open to new ideas.

I would also like to remind members that when shrink wrapping your boats to adhere to BVYC Shrink wrap rules, listed in the constitution, and also remember that all temporary pilings (dock poles) shall be detached from the dock by November 15th.

Until Next Time

Your Rear,

Tony Blank

ronski08@gmail.com

419-574-2674

JUST A REMINDER **SHRINK WRAP RULES**

Shrink wrap rules: Before the shrinking process begins, it is the boat owners responsibility to see all the following conditions exist within an area of 10 feet surrounding the boat to be shrink wrapped. OWNERS MUST MAKE SURE CONTRACTORS ARE COMPLYING WITH THESE RULES.

- A) All fuel tank vents are to be temporarily sealed with tape. (Note the 10 foot rule above).
- B) A fully charged fire extinguisher, type ABC minimum UL rating 4A60BC will be in close proximity of the vessel being wrapped.
- C) Minimum of one helper/observer present.
- D) A ladder, scaffold, or similar platform to provide a safe, sturdy means of reaching all areas of the vessel that requires the shrinking process.
- E) BVYC equipment is not to be used to comply with these conditions.
- F) Tape must be removed from the adjacent boat fuel vents when the shrink wrapping is completed.
- G) Shrink wrapping is to be done during the daylight hours only.

BVYC's Children's Day

During the late 1950's and 60's, Bay View generously hosted many orphans and disabled children from the Miami Children's Home and Sunshine Children's home for an annual outing.

On August 4th 1962, one hundred forty four children, fifteen caregivers, and eight nuns, came by bus for their visit to BVYC. Twenty seven member's boats were volunteered and small groups of 5 or 6 kids were brought aboard each boat for a several hour ride on the river. Afterwards, five members of the Ladies Auxiliary hosted a luncheon of hot dogs and soft drinks, and each child was given a small gift. Rollie Smith and Doc Stewart provided music on the banjo and percussion as entertainment before they boarded the busses to head home. Many other members helped as crew members and ground crew to make this a very heartwarming and fun filled event.

Unfortunately, after many successful years, several incidents involving inappropriate behavior by some of the children while on board the boats caused this annual event to be cancelled.

HELP! I am looking for old Bay Views from 2005. One of our old members had written up a detailed history that year as part of our centennial. I have part 2 from the September issue. If you can help, please call me at 419-729-4094. Thanks!

Jim Byrne, BVYC Historian

HOMECOMING THANK YOU

As chairman of our 2015 Bay View Homecoming I have been receiving a lot of congratulations on a job well done. For that, I thank you. However I am only one person, and will not take full credit.

Without the support of my committee chairmen, and the efforts of our members who signed up to work, Homecoming would not have been a success. Countless hours by many individuals were needed to make this happen. For that I would like to acknowledge the following individuals who chaired committees for their support in helping me: Keith Hymore ,Accounting; Ken Alexander , Admissions; Doug Berry, Bar Runners; Mike Collins , Beer; Linda Gaertner, Chicken Dinners; Greg Snyir & Mark Gensler , Docking; Chuck White , Security.

I owe special thank you's to a few more chairmen who went above and beyond their call of duty. Doug Wherry, Electrical; I cannot thank you enough for the hours you put in prior and during to make this happen. Blaine Wagner, Outdoor Grill; Never a moment that I didn't see your crew and especially Austin, Josh & Matt standing there waiting to satisfy another customer. Great job boys.

Finally, a quick thank you to the bar crew (Heather, Julie, Krista & Traci) for a job well done.

Also a special thanks to Past Commodore Rick Wagner and Rear Commodore Tony Blank for your knowledge and efforts in helping me pull this off.

Jeff Durbin
2015 Homecoming Chairman

C. Social Membership

When an active member in good standing, with at least three years of seniority, decides he or she no longer wishes to maintain an active membership, he or she may change to a social membership by notifying the secretary or Vice Commodore in writing. He or she shall forfeit his or her seniority as well as any rebate of dues. However, if annual dues have been paid for the current year, he shall not be charged social dues for that year. He or she shall relinquish all rights of an active membership except clubhouse privileges and AYC/ILYA affiliation. They shall be exempt from all special assessments.

Any Social Member who has resigned their social membership, in good standing, and desires to reinstate their social membership, may request reinstatement in writing to the Vice Commodore. The Vice Commodore will present this or her request to the next membership meeting for approval by the membership.

Dues and effective dates will be on an annual basis.

If he or she desires to become an active member, he or she shall forfeit any rebates of social dues and his or her seniority shall begin on the date of application and he again assumes all active membership rights and obligations.

Underlined sentence to be changed to:

Should a social member in good standing, within 60 months of the date of their status change from active to social, choose to once again become an active member, the following will apply:

A. Payment of dues:

1. The member will pay all the active member dues, including all assessments, from the date of the status change to social, to the date of the status change to social, to the date of the status change back to active, minus social membership dues paid in that period.

B. Seniority:

1. A new seniority date will be established for the member. The original active member seniority date will be incremented by one month for each month of the social membership.

This membership change will be limited to once per member.
