## **Report from the Commodore**

Today I sit down to write my last article as your Commodore. It seems like yesterday when Tony Blank sat next to me at the bar and said, "I would love to have you follow me through the chairs. Come on, it will be fun" It's been a great three years. We've experienced renting out the club and throwing parties. We've experienced meeting and interviewing new members. We've experienced running the general meetings, being part of the board, working with the committees, attending Regattas, Commodore Receptions and Commodore Balls. We've also learned that when you make a smiley face in Word it becomes a J when converted to PDF, which makes things a bit confusing. Lady Lori and I have met a lot of great people and have had a lot of great times. So what's next for us? Well our next big duty is on January 9<sup>th</sup>, where we get to swear in our 2019 Commodore Elect, David Krell! Come on out, join the fun and have a drink on the new Commodore. David, we are all really looking forward to you and Lady Courtney leading the way in 2019. And of course our free drinks (Smiley Face). After the swearing in, Lori and I will then quietly blend back into the ranks of the membership, where we have always felt right at home. We'll try to keep the noise to that transition down Commodore, so not to detract any attention to your big night. Lori and I may have to take that transition to the back deck. Pay no attention to the shots, high fives and hugs going on out there. Stay focused. You have a big year ahead of you! And no worries, we will return to the clubhouse to watch you lead your first meeting as our Commodore, and many meetings after that as well. We will be here for you in 2019 if you need us. Right here... Well, we might be out in the lake, or possibly at Put in Bay, but at least in the same state... Well we might be a few states away... It's possible we could be in another country, but we promise that we will be just a phone call away. Unless of course we go where there is no cell service. But how could you even find those places these days?

My Father is Past Commodore at TIYC. I remember him and many of his friends going through the chairs at TIYC. I remember going into ORYC as a boy and witnessing from time to time men and women looking at the Past Commodore's pictures, pointing to a particular picture and stating there's my grandfather.

## **Report from the Commodore Cont'd**

He's not with us anymore but when I come in here, I always take a moment to look at his picture and reflect... I've always thought that was pretty cool. As cool as that is it wasn't enough for me to have the desire to run through the chairs. It seemed like too much work, and I'm like Cindy Lauper and the girls, who just want to have fun. What I didn't realize is all the fun that I would experience along the way.

Lady Lori and I are looking forward to 2019. Because of our Commodore duties we didn't get to spend much time with many of you this year. We are looking forward to making up for that. As your Commodore there are things that I was unable to get accomplished this past year, one being the cap to the seawall. Gary Eff is guaranteeing its completion (Smiley Face). Just a word of caution, if you bring this up to Gary, it would be safer to do it by phone. He was quite clear the other night that HE IS NOT HEADING UP THE COMPLETION, however he will assist. I plan to assist on this project as well and may reach out to some of you to help get it done. Come on, it will be fun (Smiley Face). I also plan on learning how to remove center poles from unused dock wells. We have members that are docking at other clubs due to this situation and I'm looking forward to getting this rectified.

The object of the club shall be the promotion, protection and encouragement of boating for pleasure and sport, and to encourage aquatic sports and good fellowship among its members.

This above statement is BVYC's guiding compass. It's the club's purpose and has guided us since 1905. Lady Lori and I are very thankful for the founding members, the member we have now and all the members in-between. We are very thankful for getting the opportunity to be a part of this great club's history and we are looking forward to many more BVYC memories to come!

Now if you excuse me P/C Blank has arrived... He has just handed Lori an envelope that says P/C Travel Destinations... The envelope looks to be over 100 years old... Lori has a big smile on her face... She says these listed destinations have all the amenities but one... (Smiley Face)

We hope everyone has a Very Merry Christmas and a Happy New Year!!!

## Report from the Vice Commodore

**Vice Commodore  
David Krell**

“Twas the month after Thanksgiving and the lagoon was calm, for most the boats were long gone. While the boats are tucked away for their long winter stay, we all hope for the next warm sunny day.”

Fall was gone in a blur!! Friday October 26th we attended the Dr. Suess’s dinner featuring Scalloped potatoes and ham, as it was a fundraiser for Sam I Am. This fundraiser was to raise money to buy books to hand out at the Downtown Holiday Parade.

Saturday, November 3rd members of Bay View boarded a bus for a wine trip through the Irish Hills. This was our true color cruise as the trees were in their fall glory! Along the way we stopped at four wineries and had four delicious tastings at each. Everyone had a great time as you could tell from the full boxes they carried off the bus! A great thanks goes to Ruthann M for creating all the raffles, along with her niece who helped her. Rob P also took the time to gather information to pass out on the bus and Lady Courtney for kept all the documentation straight.

The following weekend November 10th, Lady Courtney and I attended our first ball of the 19 season. TSC honored Commodore Marc and Lady Merry, it was held at the Renaissance Hotel Downtown. The food was great and we got a preview for what is in store for us, as we celebrate our 2019 Commodore Ball there on March 30th.

Friday, November 16 we held the Festival of Meats. Thank you to all the people who came out to support, as we had a great night. Thank you to Tony B and Keith H for putting on a great show. Also thank you to Nate E and Corky H for working the front table, while Courtney and Sue B sold tickets, with Noel W and Mike U taking care of the baked potato bar. One last thing I can’t forget .....a special thank you to Stacy Slicker for being the “BFL” for the Festival of Meats!!!

We didn’t stay out late as the following day we headed to Suessville with Cindy Lou Who! Bay View and it’s members continued the tradition of being Dr. Suess in the Downtown Holiday Parade for the 5th year! This event is always a lot a fun, and this year we were highlighted before the parade with a live interview on Channel 13. Thank you to Sharon, Timothy, and crew as we passed out over 900 books to the kids along the parade route. Parade day would not be complete without finishing it up at the Blarney for lunch and to watch the rest of the parade finish up. Thank you Joan for the Firetruck parking spot.

Thank you to Bill Edens for taking pictures of the Wine trip and the Holiday Parade. They are wonderful to look back on with a yummy bottle of wine!!

Thank you for all the support and we look forward to sharing some upcoming events with you all. Our annual Basket Raffle is on Saturday January 19th, 2019.
