Report from the Commodore

OK who stole summer????????????

August, what a month! Mike and I have been very busy, we have attended as many functions that we could. We went to FYC to honor Commodore John and Lady Jeanne at their Commodore's reception unfortunately we missed MRYC due to the power week at Put-In-Bay as BVYC was in charge of the spaghetti dinner for the ILYA Commodore Duane and Lady Dar.

Now the big one BVYC Poker Run and Homecoming for us---wow is all I can say what a turn out and what a great time. BVYC so far has been the biggest Poker Run hosting 140 boats and wow is all I can say again.

The bands were fantastic and kept the crowd on the dance floor all night long. Thanks to my friend Commodore John from FYC for introducing me to the bands awhile back.

Jeff Durbin, I cannot THANK YOU enough for all you did for the homecoming, what a great success. Thank you to all your helpers—each and everyone did a splendid job. Doug Wherry for making sure the electrical was to par so we had power to run everything. The dock crew, the grill crew, the set up and tear down crew and just to everyone that helped make the homecoming a success.

The biggest THANK YOU goes out to all BVYC members for coming out and enjoying or helping.

Sharon Kneisel you out did yourself once again. All the fun things, all the food, and all the decorations, and to your crew that worked behind the scene to make it all come together. My hat goes off to all of you and my heartfelt THANK YOU to you all and you all know who you are.

Class of 2015 as you can see we have become a family and we all have a great time together-thanks to them for sharing my day with me.

Thank you to my wonderful husband for setting up the tent behind the boat and getting the drinks etc. ready for me for our class for a little toast to the class of 2015. Also all the little things that you do for me when I am at work—luv you!!!!!!

Few more regatta's to attend then Mike and I will be back going to Ball's to represent BVYC.

Remember we are looking for members to run for office, if interested please contact the bridge or board and we will make sure the nominating committee gets the information.

Thank you again to everyone once more the members have come together and made our club what it is today, one big happy family.

Till next month

Commodore,

Colleen Cashman

Did You Know....

House rule #9 Members using the club facilities shall leave the same in a clean and orderly condition. Bottle and glasses shall be returned to bar.

The travel lift needs a certified operator and two(2) spotters when being used in the yard.

The Environmental Protection Agency (EPA) is asking for [comments](#) on a proposal to increase the amount of ethanol that must be blended into the nation's fuel supply for 2015 and 2016.

If adopted, these proposed levels will require the use of a record amount of ethanol, forcing higher-level fuel blends (including E15 or 15% ethanol) into more gas stations. Remember that most marine engines are built to only work with up to 10% ethanol and it is prohibited to use gas containing more than 10% ethanol in all marine engines.

Please take a moment to [send a message NOW](#) urging the EPA to lower the ethanol mandates to ensure an adequate supply of fuel that will work in your boat.
