Report from the Commodore

Well its official, I am Commodore of Bay View Yacht Club! Thank you to all the members and families that came out to the Change of Watch Ceremony on January 9th. Thank you for supporting me and the other members stepping up into leadership roles. For those of you who were not able to attend the ceremony, I would like to share a goal I have for this year as a club:

It's Communication!!!

When I say communication, I don't mean everyone run to the bar and start sharing all our business with our guests and family members visiting the club. Please keep Bay View business for the meetings as this is what they are intended to service the club. I believe a lot of our issues come from "bar talk". For those of you who may not know what I mean by "Bar Talk", I believe its people sharing thoughts and ideas after a couple cocktails, while not being properly aware of the whole situation. Thus rumors start and usually make situations bigger and worse than they need to be.

So going forward this year I would like to ask all members to work on their communication. If there is a problem or situation please talk to the chairman of that committee, or if you don't know who that is please talk to me. I will direct you to the correct person or let you know what the next steps you need to take, that are both in your best interest and that of our wonderful club. There are many situations that can be avoided by simply talking to the right person. If your dock is in need of a repair-please contact the dock repair committee chairman, if there is an issue with your key card-please speak with IT chairman, if there is an issue with the club house maintenance-contact the house manager, if there is an issue with your bar account-talk with the bar chairman. Thank you in advance for working together....Cont'd on next page...

Report from the Commodore Cont'd

This last month has been a little slow (haha) on the calendar for Lady Courtney and I, which was just fine with us as the next few weekends are filled with meetings and balls. On January 12th we attended Perrysburg Boat Club's Ball at the Carranor Hunt and Polo Club in Perrysburg. This is our second year having attended this ball and it did not disappoint! The food was delicious and they always have an amazing video showcasing their club throughout the year. For upcoming events at the club, the Commodores and Fleet Captains are working together to set the calendar and will get it out to the membership in the next few weeks. Please check flyers at the club, the website, Facebook, and emails to see what events are coming up at the club.

Here are a few upcoming events for the 2019 Commodore Ball fundraisers:

February 1st- Chili Mac Dinner at 6pm \$10

February 8th- Chicken Marsala Dinner at 6pm \$10

Thank you for your continued support!

Commodore David Krell

Hello everyone, just a few reminders from the bar for this month. I just wanted to remind everyone that it is imperative to treat the bar staff with the same respect and treatment as you would treat another member at the club. The bar staff are there to serve us, and deserve our respect. All issues pertaining to the bar should be directed to the bar manager only, please refrain from involving bar staff. If you have any questions or concerns please do not hesitate to contact me via phone or email.

A few other notes — key cards and fob's are located behind the bar for purchase from any bartender. The cost for these will be \$10. All four doors are now switched over to the new key card system, and your yellow door cards are no longer necessary and will not work to open any doors to the clubhouse. Lastly, membership dues may be paid at the bar via credit and debit cards, please note there will be a processing fee based on the amount you wish to pay. Please have a printed copy of your dues/bill to accompany your payment if you are paying by credit card.

Sincerely,
Tony Blank- Bar Manager

Report from the Vice Commodore

**Vice Commodore
Charles Martin**

It's hard to believe it is already February. As most know this year for myself is membership. The Commodore gave me a crash course on this so I am off to a good start. If anyone knows of anyone that would like to join or has questions about membership please send them my way.

Lady Moe and I will be starting to fund raise in April for our ball. We are planning on keeping this to a minimum with different ideas.

On January 9th was the Change of Watch. I would like to welcome Commodore David and Lady Courtney on their new adventure and also Rear Commodore Ken Campbell and Lady Carrie. I am sure they have fresh ideas for the upcoming year and am looking forward to that.

Thanks again for the membership support and as always if there is any concerns, ideas or questions please contact me.

Rear Commodore Picture Coming Soon

All I can say is WOW! Here we are just about two weeks into my term as Rear Commodore and things have really changed. We are starring at several inches of snow and freezing temperatures, and our first official party is just around the corner.

Super Bowl 53 is February 03, 2019 and we are going to have a great time! Lady Carrie and I are working out the details but what we do know is that we are providing chicken wings and chunks. We just need people to please bring a dish to pass. Everything kicks off (Yes cheesy pun intended!!) at 530 with kickoff at 630.

We go right from the Super Bowl party to our Valentines celebration on February 16th. We will be having the world famous Lasagna from Judi Rogers and crew. After dinner we are proving you a comedy show with some of the regions best comedians. So come for the food...stay for the show.

After Valentines comes the Jigs Dinner in March. Stay tuned for up coming events and remember spring is just around the corner so lets spend some of these winter weekends hanging out together supporting our club.

We are always looking for help with these events so please if you are willing to help or have a dinner in mind let me or Lady Carrie know! Also anyone wanting to rent the club please feel free to contact me to get it set up. Stay warm and see you soon.
