Report from the Commodore

The yard is open!!! It's great to see everyone out and about getting boats ready for launch.

Thanks to our Yard Chairmen Mike DeAngelo and P/C Greg Snyir for all they do. They could use any and all help with boat launching and cleaning up the yard. Please contact them if you are available.

Shrink Wrap: A reminder that we are recycling shrink wrap and to do so requires **all** binding and tape to be removed from the shrink wrap. We are storing the shrink wrap in the south shore pavilion, not in the dumpster. Shrink wrap is not allowed in ANY of our dumpsters

We are proud to be designated as a CLEAN MARINA and the additional recycling effort helps take us to the next level. Thanks to P/C Bud Rowe for taking the lead on this! If you have any questions about our status as a clean marina, please reach out to the committee.

Barge Update: Thanks to Gary Staebell and Jay Kelley for the work they did to remove the barge from the lagoon. Thanks also to Bosco and Alan Ellison for saving the motor to the barge!

Spill bucket: A repair had to be made to the check valve on the fuel tanks, special thanks to Woody and P/C Doug LaLonde for your time and effort to make that happen.

Landscape: Brian Orth is still looking for help with grass cutting! The areas that need cutting are split into zones so that one person doesn't have to put in so much time. All needed equipment is provided so please contact Brian to help if you can.

Ship Store: If you haven't seen the new and improved ship store, it is a MUST SEE!

Thanks to Gretchann and Jeff Utterback, Deb Goedde, John Schoen & Miriam Taha for all the renovation and new items on display. Special thanks to John for donating and installing the awesome looking floor.

ILYA Spring Meeting : The meeting was held the weekend of March 26 & 27. In addition to planning for this year's ILYA regatta, it included a presentation to BVYC P/C Scott Kneisel as he received the Yachtsman award, the highest award of the evening. It was presented by the 2021 ILYA Commodore Bob Lang in a way that only he can do!

The 2021 Regatta will be held August 4-8. If you have not attended, please consider it! See P/C Scott Kneisel for all the information.

Opening of the Port: Thanks to V/C Commodore Chris Sackett and Lady Diane, Rear Commodore Tom Berkebile, Fleet Captain Gary Ruffier, and P/C Tony Blank for the help in planning the South of the Border party which serves as a fundraiser for the upcoming Opening of the Port. The formal ceremony will be held Memorial Day weekend to mark the opening of the boating season.

2021 Homecoming: Reminder of date of homecoming is August 20&21. We have bands confirmed for Friday & Saturday. Friday will be *Mustang Sally* & Saturday will be *Legendz Experience*.

Commodores Ball: Date set for October 9, 2021

As always, a special thanks to my wife, Lady Laurie for all she does!

Report from the Rear Commodore

**Rear Commodore
Thomas Berkebile**

The Kids Easter party was well attended. A new bunny arrived this year. We had egg coloring, the hunt, a piñata and a few other things to include what may be new tradition - The Easter egg launch. It was a real blast! So much so, I got a broken thumb from testing the launcher before the glue dried. Doh! Next year we'll need more power!

The Elba-Mar club arrived on a bus last month and enjoyed our club's hospitality. A big thank you goes to everyone who helps these clubs feel welcome when they come calling.

The Opening of the Port is set for Saturday the 29th of May. It starts at The Maumee River Yacht Club this year and will work its way downtown. I'll miss (or maybe not) opening all the bridges this time.

Keep a look at the calendar this month. I'm sure we'll have an evening event on Friday the 21st. The event hasn't been determined yet.

For club bookings, please contact myself or Tony. The club reservation book can be found at the bar. Ask your bartender. My Email and contact number can be found on the signature line.

Let your glue dry!

There is a designated area for shrink wrap. The wrap must not contain any nylon straps or foreign objects. Please roll your shrink wrap and cut a strip off to tie it up with and drop it off in the designated area to be recycled.

We have had a problem with people bringing their home trash to BVYC. The dumpsters are not for personal trash. There are cameras around the club now.

From the Dock Committee

Hello BVYC dock holders. I hope all of you are getting ready for a fun-filled summer. We wanted to give everyone a friendly reminder that your dock pilings/posts need to be resecured to the dock by May 1st. If you are unable to get this done, the club will get this done for you for a fee of \$50. If some of our new members are wondering what the heck am I talking about, details are on page 40 of the constitution. You can also reach out to me if you have any questions.

If you haven't visited us lately, stop on by. This year is already starting out to be a great one!

I'm looking forward to seeing all of you soon!
