Report from the Commodore

The final article is here and I must say it has taken me a few days to decide how to start this. The best I have come up with is a simple and heartfelt thank you -to you- the membership for allowing Lady Courtney and I to represent our great club as 2019 Commodore. Thank you to everyone who has supported us over the last three years. You watched us grow from just dating, to engaged, to finally married! We loved learning to cook for a crowd in the galley our Rear Commodore year and grilling pizzas at our Jaws movie night. We are so grateful for all the members who were more than happy to teach us a thing or two with all those pots, pans, and pizzas! We learned how to sell 50/50 tickets, raffle tickets, and reverse raffle tickets like the pros-"I need \$5 please"!! You introduced us to your friends and family and brought them along on so many of our adventures from boat rides to wine trips to casino trips, we had a wonderful time with you! Most importantly you were there to give advice or just lend an ear and that has made all the difference in our journey.

As this season of being a Commodore comes to a close I look back at what we have done and where we have been and it is quite amazing. Before we started this adventure, P/C's and their spouses would tell us that we would have the time of our lives and make lifelong friendships, and that couldn't be truer. Thank you to our Past Commodore's and their significant others for leading us down this path with your words of encouragement. A few weeks ago I was cleaning out the boat for the end of the year and putting away my Commodore burgee when the radio started to play just the right song for the moment. This time it started to play "Good Riddance" (Time of your life) by Green Day. Now without quoting the whole song, the chorus is, "It's something unpredictable, but in the end it's right, I hope you had the time of your life." Our Commodore Class has truly become family and we are so appreciative of all the fun times and memories. Now as I close this chapter in my life, the Past Commodore's were right, it has been the time of my life! For upcoming Commodores Chuck Martin, Dave Patlin, Chris Sackett and future BVYC Commodores enjoy your time, it will fly by. As the song says, "for what it's worth it was worth all the while"!

Report from the Commodore Cont'd

....We are a working club and it takes a lot of people to keep this great organization functioning every day. Sometimes you may feel that the work you are doing is in vain as you may not always get an accolade but I promise there is someone who has noticed your effort and is thankful for the job you've done. I'd like to take this moment to personally thank you all for everything you have done to support OUR club as well as Lady Courtney and me. While we attended many balls and cocktail parties this year none were as special as our "Classic Toledo Ball" or "Ice Cream Social Cocktail Party". Thank you for going above and beyond for us this year, we hope you feel that we've made a positive impact on our club. Please remember to continue to support our club and its members this winter. You can come out and support your 2019 bridge one last time for the change of watch ceremony on January 8th 2020. The meeting will begin downstairs at 7:30 pm and resume upstairs, where the 2020 Bridge and Board will be sworn in. Then remember to join us for the AYC party on February 14th and 15th at The Sheraton Hotel at Detroit Metro Airport. We would like to thank you again for all the great memories. 19, 19, 19, Soooooo Nauti!

Announcements

For the safety of our members and guests and per the Constitution....Nothing is to be left on the docks during the off season. People need to walk and access docks for aeration and repairs and to prevent anything from floating away or polluting our lagoon.

Communication Avenues: We have several ways to convey club communications such as events, flood alerts and early closings. **Email Blasts** are used for quick notifications. You will receive an email when notifications are sent out. To sign up please notify Tony Blank or a member of the Bridge. Also, remember to keep your email address updated. Our **FaceBook page** will also be used for communications. You can request to be a member of our page and you will need to visit it yourself. Our FaceBook page has current events and pictures as well as notifications regarding club functions. **<http://bvyc.org>** is our website address. You can request to have access to the member only part of the website where the Constitution and other club only correspondence resides. Also the BVYC newsletter is there too. The **BVYC Newsletter** is the slowest way to send communications. Please be sure your address is up to date. We would like as many members as possible to view it at our website to save on printing costs. Please notify Tony Blank or a member of the Bridge to opt out of the printed newsletter or sign up for any of the other avenues of communication.

Report from the Vice Commodore

**Vice Commodore
Charles Martin**

Its December already and the lagoon is empty and the yard is full. This was a quick year, it seems like we were just getting the boats ready for the summer fun.

The month was somewhat slow with activities, we had the Festival of Meats on a Friday and was attended well. The Holiday parade was a lot of fun, we gave out over 1600 books. A great success thanks to Sharon Kneisel for all the effort in organizing our part in the parade.

Before long I will be assuming my new position as Commodore and I've been working hard to get everything in order so that transition is simplified.

As for membership we had the following-

New Member- Brian Lowrie voted in 11/13/2019

Member applicant- Jen Harsh 1st reading 11/13/2019

Upcoming events-

Bus trip to Greek Town Casino Jan.18, 2020

Basket Raffle Feb.8, 2020

Thank you for your support this past year and Lady Moe and I are looking forward in representing BVYC in 2020.
