David Krell**

Report from the Commodore

Well, the ice is off the river and the trees are floating into the lagoon so it must mean boating season is just around the corner! As it's starting to get warmer the excitement of working on our boats builds, but I know there are still a few more cold days to come. So before we all get the shrink wrap off the boats there is some work that we can do help clean up the club and prep facilities for summer. Our Homecoming is a Poker Run stop this year, so we will have plenty of visiting clubs and it's never too early to take on some smaller projects to help the club look it's best for this season.

Here are a few things I plan to do around my dock before the boat gets in the water and maybe you have a few of the same things so here's a reminder:

- I will need to have a dock pole driven and welded to my dock.
- I will need to remove the center pole and have it repositioned in the well between my well partner's boat and mine.
- Once those repairs are done I plan to paint my dock.

Just a friendly reminder if you are going to wire wheel/sand your dock please make sure there are no other boats around to avoid damaging them. For those that need dock repairs, please fill out a dock repair sheet which is located in the Dock Repair Book behind the bar. Please read the instructions carefully and fill it out completely. If you have any questions please contact Jay Kelley at 419-277-5098.

As winter comes to an end, we are wrapping up our ball fundraising. Lady Courtney and I can not begin to thank our ball committee or our amazing club members, their family and friends for the support of our fundraisers this year. We know many people believe that the balls are extravagant but we have made every effort to keep it affordable for our members as well as being frugal in choices we've made in the planning of the ball. Each event for us was a memory maker that will never be forgotten and we feel truly blessed to have worked with so many different people.

Up Coming

Events

Kids' Easter Party

South of the

Border Party

Report from the Commodore Cont'd

Thank you to all the members and friends of members who participated in the Casino Bus trip. Hopefully, you all were luckier than Lady Courtney and I. Upon our arrival back to the club R/C Campbell and his crew provided sloppy joe's. By the time I got off the bus and walked into the clubhouse everyone had found a seat and was enjoying the food and music that was set up. On March 2, Lady Courtney and I attended the celebration of life for Greg Mayer. Thank you to all the members who prepared food and everyone that came out for the celebration. Later that evening Lady Courtney and I attended the Ford Yacht Club Ball. The final two fundraisers for the year were our fish fries, where we were treated with wonderful perch, fries, and cole slaw. Thank you to Doug L and Keith H for heading these events and all the members in the kitchen serving and cleaning up.

Last but not least... South of the Border Party for the Opening of the Port which will be held at Toledo Sailing Club on Friday, April 26th. Dinner will be an all you can eat Mexican Buffet starting at 6pm with entertainment by DJ Dre. Tickets for this event are \$10 for general members and \$15 for Officers and PC's who are riding the boats. If you would like a ticket to get into the party please see either V/C Martin, R/C Campbell, or myself. Please see the fliers for more information.

Report from the Vice Commodore

Vice Commodore
Charles Martin

WOW, It is already April, It sure seems time is flying by. The last part of March was quite busy. The Jiggs Dinner put on by the Rear Commodore along with Name that Tune was great. He had a very good turnout.

Also we had two buses come in that made for a busy Saturday and a lot of fun MRYC & CCYC.

The Commodore Ball for Commodore Krell and Lady Courtney was a fabulous time.

I will be continuing the fish fries the 1st two Fridays of the month to start my fund raising.

I would like to touch a little on my year of fund raising for my Ball in 2020. After listening to the membership throughout the year I kept hearing comments "another Ball fund raiser". This got me thinking of what I need to do. As everyone knows the Balls are very pricy and without the support of the membership they would not happen. Lady Moe and I are planning on making some changes. We are hoping to limit the amount of dinners plus trying some other options to fund raise and looking for ways of cutting the cost of these events. I will do my best to keep the membership up to date on the Ball progress.

BVYC is a great place for family and friends, we are always looking for new members. Many may not realize all that we offer. So if you know of anyone that may have some interest in joining or would just like information please have them contact me.

One additional item, if you have moved or had a phone number change please let us know so we can update our records.

As always please contact me with any questions or comments either by phone or email.

Vice Commodore

Chuck Martin

419-466-3167

Marchuck59@yahoo.com

For anyone who has a dock...Please visit the club to check your dock poles. With the ice and high water some of the dock poles have broken loose. Also, please remember to provide the dock committee with yearly proof of insurance.

Report from the Rear Commodore

Rear Commodore
Kenneth Campbell

Hello everyone! Well here we are boating season is just around the corner, the weather is up and down but headed in the right direction. I want to thank everyone for a great Jigs Dinner at the club. Marcia for still doing a wonderful job even with the loss of Greg, Thank you doesn't seem enough..... I would also like to thank Brian and Lisa Rogers, Amy Wagner, Ed Griffin, Mike and Heidi Dunphy, Doug Avery, RuthAnn Murphy, Stacey Phillips, Lola and of course Lady Carrie all of them were all helping in the kitchen. After dinner was a great round of Name That Tune which everyone had fun playing.

Lots more events are on the horizon including Steak Dinners starting in April. Also, in April is the Children's Easter Party on the 20th. The following that I am hoping to have a live band performing at the Club on the 27th. You couple all this with the Commodore's Ball and you have an action-packed Month. Hope to see you all around the Club

Ken Campbell

From Marcia Mayer

Thank-You Bay View Yacht Club Family! What a wonderful celebration of life for Greg Mayer. All the Friends, Food, and loving support was unbelievable. Thank You All. A special thanks to Ruthann Murphy, Lola Edens, and Tom Blank who made this all happen. It was great to have our friend Julie Beitelschees officiate such a loving service. BVYC is the BEST!

Love, Marcia Mayer

The Deadline for the Bay Views

Is the 20th of each month. Articles submitted after the 20th may be omitted from that months issue. If possible send all reports, notices, flyers, etc. to: nemo@bex.net and/or rogerjhoffman@outlook.com

From the Board of Trustees

The docks that I referenced in the March Bay Views that were supposed to have been posted on March 13th were actually posted one week later, on March 20th. I apologize for this oversight and any inconvenience it may have caused you. During the February Board meeting an additional interpretation was rendered. Dock & Harbor rule #25, 1st paragraph states, in part “pilings must be in the water and securely fastened to the dock by May 1st”. This rule may easily be interpreted differently by those who read it, as a specific time of day is not stated. Similarly, the 2nd paragraph states, in part, “All temporary pilings shall be detached from the dock by November 15th”. This rule may also be interpreted differently for the same reason. The Board’s interpretation of this rule is that if pilings are attached by 11:59 PM on May 1st a member is in compliance with the rule. Likewise, if pilings are detached by 11:59 PM on November 15th, a member is in compliance with the rule. Please, do not place used shrink wrap in a club dumpsters. Additional guidance regarding shrink wrap disposal is forthcoming. On a related note, personal items shall not be disposed of in club dumpsters; this includes, but is not limited to, kitchen sinks, sofas, doors, water heaters, etc. Of course, members may dispose of their boat trash in club dumpsters. “I do solemnly swear to uphold the Bay View Yacht Club work plan.” This is part of the oath of membership sworn to by every Active member. Time spent working on club activities is a great way to meet other members, make lasting friendships, get involved in all that our club has to offer, and to have fun. I like to call them Fun Hours. However, work hours are also an obligation to the club, similar to dues. When a member resigns his/her Active membership with hours not worked he/she owes the club for those hours at a rate of \$25 per hour, prorated to the date of the status change. So, Active members, when you consider changing to Social or resigning, ensure that your work hours are current, or be prepared to pay them. Here is a brief overview of the organization of our club. Committee chairman are the backbone of our club; they perform all of the day-to-day work that keeps our business operating. Organizationally, committee chairman and the Fleet Captain(s) are appointed by, and report to, the Commodore. Ultimately the Commodore is responsible for their performance. Additionally, the Commodore chairs the Regular meetings, is a member of the Board of Trustees and is our ambassador to the world. This is the most rewarding position one can hold. The Vice Commodore is the chairman of the Membership committee. As such he ensures that applicants for membership are investigated and interviewed by committee members. The V/C is responsible for membership status changes, maintaining the roster, ensuring that a member’s dues, work hours, and entertainment coupons are properly prorated at the time of a status change, and the assignment of new members to a committee for their first year of membership. The Rear Commodore is the Entertainment committee chairman. As such he provides entertainment and/or meals for social events at the club. He has the authority to close the club up to ten times per year for events that require an admission fee. I will provide more on the club organization in a future article, lest you fall asleep reading this one. Thanks for hanging with me this far.

Respectfully, P/C Scott Kneisel, Board Chairman 734-516-0257, scott.kneisel@bex.net

FROM THE YARD

I will be opening the yard up on March 16th

NOT UNLESS THE WEATHER BREAKS EARLIER THAN THAT

AS MEMBERS OF BVYC WE SHOULD ALL BE PROUD OF OUR CLUB AND WANT IT TO LOOK AWESOME WHEN OTHER MEMBERS COME TO VISIT. SO AS YARD CHAIRMAN I AM ASKING FOR HELP TO SPRUCE THE YARD UP.

Spring is right around the corner and with that being said there will be lots to do in the yard to prepare before we start to launch boats. We have equipment that has to be prepared so it is ready for the launch. We have a yard that needs to be cleaned up along the fences, and buildings that will need to be maintained and painted. Our small building with the power washers needs a lot of attention.

There is a lot that everyone can come out and help with even if you do not have a boat and you like to work outside. This is also for the women members of the club that would like to work outside.

I will be having another class to certify members on the equipment. If you pass, your name will be put on the roster to run the equipment. I hope everyone will understand if I do not feel you are ready or able to run the equipment I will not put your name on the roster and the reason for that is that our equipment is getting older and it needs to be run properly and maintained properly.

The yard is going to be run a little different this year and if you have read your constitution and by-laws you will see where we are coming from.

Launching of boats can start before May 1st according to our by-laws. When your boat came out determines when you go in. Please everyone be mindful of this and if you are blocking someone that wants to go and they are ready to go in and your time of launch is up and you are not ready we will move you and charge you accordingly.

Boats this year will be launched every weekend up to June 1st, again according to the by-laws boats are to be in the water by this date. We will also launch boats every Wednesday up to this date as long as there is a crew to help or you provide your own help.

LAUNCHING OF BOATS WILL BE HANDLED AS FOLLOWS:

YOU WILL STAY AND HELP EVERYONE THAT IS ON THE LIST THAT DAY TILL THE END OF THE DAY.

IF IT IS YOUR BOAT YOU WILL CLEAN UP YOUR SHORING PUT ON THE PALLET AND THE FORKLIFT DRIVER WILL PUT IT IN THE PROPER PLACE.

WORK HOURS WILL ONLY BE GIVEN IF YOU WORK AND REMEMBER YOU DO NOT RECEIVE WORK HOURS FOR LAUNCHING YOUR OWN BOAT.

ON THE BOARD UPSTAIRS THERE WILL BE GENERAL LAUNCH DATES ACCORDING TO WHEN YOU CAME OUT—IF YOU DO NOT REMEMBER WHEN YOU CAME OUT PLEASE JUST ASK.

The Yard rules and regulations and the sign up for launching will also be there.

AS YARD CHAIRMAN I ALSO HAVE BOATS TO GET READY BESIDES TAKING CARE OF THE YARD AND MEMBERS OF BVYC. I ALSO WANT TO ENJOY MY BOATS THIS YEAR AND THIS WHY WE ARE GOING TO TRY VERY HARD TO FOLLOW OUR RULES. HOPE EVERYONE UNDERSTANDS AND I DO UNDERSTAND THERE ARE CERTAIN CIRCUMSTANCES THAT COME UP THAT CAN NOT BE AVOIDED AND I WILL WORK AROUND THEM AS LONG AS I KNOW AHEAD OF TIME.

THANKS

MIKE

To All Bay View Members!

The 2019 boating season cruise schedule is listed below. If you have any questions, contact one of the fleet captains: Dave Patlin – 419-266-1044 or Randy Club cruises are a great way to travel as a group and check out places you may have not traveled to. Take advantage of the adventure and camaraderie, you won't regret it!

Date	Destination
May 24-26- Memorial Day Week-end	Opening of the Islands
