Report from the Commodore

Happy New Year to Everyone and Your Families

As I sit here and ponder the last year, I wonder where it went. I had a great year, met a lot of new faces and reunited with some old faces that have been around the club. As the New Year starts and as your Commodore, I would like to thank you for having enough confidence in me to lead our club to be the best club we can make it. On behalf of the BVYC members, I would like to thank Commodore Mark Gensler and Lady Christina for doing a great job at representing the club at other club functions. Some of you know me better than others and some like me and some don't like me but that is ok because I am not here to win a popularity contest and I have very broad shoulders. I am here to represent our club and lead our club to the best of my ability and to improve our club. There will be some that do not like some of the ideas that I have and some of the things we need to do to improve our club so come talk to me and give suggestions, I am always willing to listen. Thank you to all I have talked to that are going to chair the Committees. Your relentless help and volunteerism is the greatest and my hat and a loud applause goes out to each and everyone of you. New members, and you know who you are, don't be afraid to come and meet and get your hands dirty with a few of the "old timers". I guarantee you will learn and have a lot of fun - plus get your work hours in. Just an FYI, the Commodore's Ball will be March 21st, 2015 at the French Quarters, so mark your calendars. The Ball Committee will be having a few fund raisers coming up so look for flyers. At this time I am signing off till next month which I am sure I will have lots to fill you in with. Just think in a few months the boats will be going back in so think spring!

Commodore,

Colleen Cashman
