Report from the Commodore

**Commodore
Douglas LaLonde**

Hello all. I hope everyone is still having a good summer. Lady Erin and I have had a very busy summer and it's starting to finally wind down, a little. Erin and I were able to attend the I-LYA Power Week for the first time. It was a 4-day long event that was enjoyed by all. It was well attended by our club members with 18 boats present. We attended the Blue Gavel reception and the I-LYA reception at Put-In-Bay. Most recently we attended Ford Yacht Club's Commodore's Reception in late August.

Moving on, I would like to thank everyone who put in all the hard work and planning into the Homecoming and Cocktail Party. We can't thank Brian, Tony and our entire ball committee enough including other members that pitched in to help. The cocktail reception was decorated beyond our imagination. Bay View is always known for having one of the best receptions. The attendance at homecoming did well as could be expected with the weather and the 4 other major events were going on; not including Ford Yacht Club's Poker Run stop for AYC. I think we did very well over-all for Homecoming. Great job everyone.

Lastly, I would like to remind everyone who has a trailer in the yard to please make sure they are properly marked with your name and phone number, and also to maintenance them so they are ready for fall lift-out. Also, I would like everyone to give Chuck & Mo a pat on the back for taking 3 days to clean the outside shower facilities. We all need to take a minute or two to help keep these clean from now on. The outside showers are not part of our normal cleaning crew duties, so we all just need to treat them like they are our own after we use it each time.

That's all for Now

Report from the Rear Commodore

**Rear Commodore
Steve Suffety**

What? Wait a minute! Hold the phone! It's September? How can that be? And yet, it seems like a long time ago when we were pulling the shrink wraps off of our boats. It's been a great season so far with more to come, as we head into the last 4 months in the year that end in ber, or should I say brrr.

We started off August by heading on a club cruise to Lake Front Yacht Club. They have a nice marina right off of the lake. We played in their pool, and enjoyed our evenings in their club house. We also enjoyed dinner at the Moose Lodge where Sharon and Al Bremer carted all of us there and back. Hats off to both of you! Much appreciated! We had a great weekend, with great hospitality!

The club cruise ended Sunday with some of us going home, some going to Cedar Point and some going to Middle Bass Island. Lori and I headed out just ahead of the Middle Bass group and waved to them, one by one, on the way by. When we pulled into the Middle Bass Marina, there they were waiting to help us dock. We spent time at Middle Bass Yacht Club, Walleye's, Hazard's, Joe's and touring the island on golf carts. And again, great hospitality!

We all left on Tuesday and headed to the grand finally, Put-In-Bay for ILYA. If you haven't attended this event you need to experience it. There are many activities available to choose from, and it's always a great time hanging out with your friends and making new ones. It's a well done, well put together event!

The next weekend brought Homecoming. Lori and I attended the Friday night festivities; I took part in the golf outing on Saturday while Lori ran the 5K. We then attended Commodore Doug and Lady Erin's cocktail party on Saturday. The atmosphere and the food was top notch as usual. We then headed up to Ford for Commodore Brian Stone's cocktail party and then returned to BVYC to enjoy our evening festivities. We awoke Sunday to assist and experience The Breakfast Show. Doug Berry and Terry Trimmer were omelet making, pancake flipping machines! And their supporting food prep crew was amazing as well! It was fun to watch as I was putting my old Webber's Restaurant dishwashing skills to use. Thanks to everyone that came out to enjoy and a special thanks to all that help put this together! You all are amazing!!!

Upcoming Events: September 2nd, 3rd and 4th Lori and I will be attending LobsterFest at TSC. We have not attended this event before but hear it's a great time. I'm looking forward to seeing many of you there! On Saturday we will have Johnny Rodrigues top side on our boat out at the sandbar across from TSC. We have room available, and will be departing Saturday from TSC, so if you are interested please give me a call so that I can coordinate the details with you. We would like to make sure the boat is full of BVYC members! Yes Wendy, you are already on the list. Lori and I will be returning back to BVYC on Monday where we will be firing up the grill and celebrating the holiday around the pavilion. If you care to bring a dish, please do. We will be grilling hot dogs, and hamburgers.

On August 9th & 10th we have a Poker Run at Detroit Beach Boat Club. On October 1st is our Color Cruise. I'd like to put something together the night of September 17th at BVYC. I'm looking for ideas and people to help put this together. Please contact me if you are interested.

See you at the club my friends! Your Rear, Steve Suffety / 419-206-9522

Pool League - Last Call

We would like to resurrect the BVYC pool league. If you would like to play, please contact Mike DeAngelo @ 419-708-1386. It's a travelling league that plays at all the nearby yacht clubs. We play for fun and not concerned if you're a pro or not. The league starts in September and ends in March.

Text a Buoy

There is a NOAA Buoy outside of Meineke's Marina. So, here's what you do... Create a contact in your Phone called Weather Buoy 45165. Use the telephone number 734-418-7299. then you will send the buoy a text message and type in 45165(hence this number is part of your contact name so you remember what to send) and hit send. The buoy usually responds immediately with wind, temp, and wave height...enjoy and be safe. If anyone knows of other boating tips, forward to nemo@bex.net for consideration in the newsletter.

BVYC Historical Article

The Big Fence Debate

For many years four local yacht clubs (BVYC, TYC, MRYC, & TSC) operated on lands and river front leased from the City of Toledo. The rents were nominal and as the value of the improvements and boats increased, fences were erected to limit access to the club grounds and prevent vandalism and theft.

On February 6, 1969 the Blade ran an editorial condemning the clubs for erecting fences after MRYC leased additional land in Walbridge Park for a pool. They built a six foot fence around the area and topped it with barbed wire. After residents and park users complained, the barbed wire at MRYC came down but it was allowed to remain at BVYC where the barb wire topped fence had been built some years earlier.

The Blade then took up a two week crusade about many aspects of the yacht club leases. It was determined that the clubs had no right to deny access to the club grounds to anyone who wanted to use them for "park purposes during park hours". Members Only signs at the gates were to be removed to comply with lease provisions.

Another question arose about the clubs discriminating against minorities and Jews. Reviews of club documents showed no discriminatory language and members stated that there were Jewish members at some clubs and that minorities had been guests at several clubs but that none had so far applied for membership.

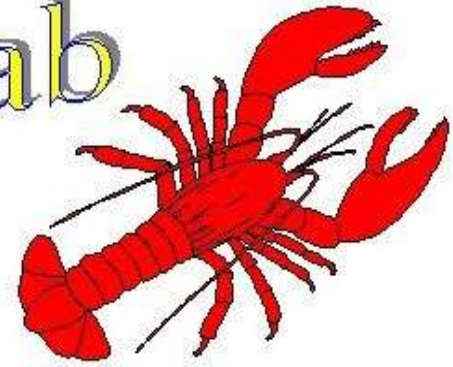

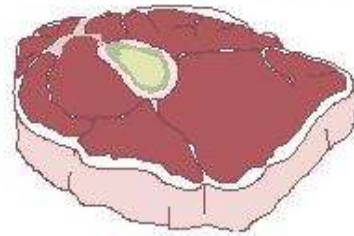

The Blade also questioned the right of the clubs to exist on city land at all. Proposals were made to buy out the clubs and operate them as public marinas. The nominal rental fees that the clubs paid were also discussed, and soon after the rates were increased substantially.

Another proposal was for the city to sell the leased land to the clubs, and forty years later, it finally happened.
