Report from the Commodore

Yard water is on, boats are being uncovered and are filling up the lagoon. Summer is finally here!! Since last article we held our Booze Cruise. We ended up getting 2 busses since there was such an interest in going on the trip. From what I have heard from BVYC members that were on the trip and the other clubs that they stopped at everyone had a great time.

Fish fry's are over for the season... Thank you to everyone that came out to support those events. We had record number of dinners sold each time, Also a huge thank you to the kitchen staff and especially Keith and Corky Hymore for organizing and setting up those dinners.

Onto the 2017 Commodores Ball..... WOW!!!! That ball room was packed. I was so honored to have so many people in attendance. For those of that could not attend you were missed. The ball committee did an amazing job decorating the ball room and the pre/after Glow room. I think its safe to say that everyone that attended had a blast.

To my ball committee, you guys are awesome! You have helped put on some outstanding fundraisers this year and also put on an amazing ball!

Opening of the port is scheduled for May 27th. This year it will be held at MRYC. It is always a great ceremony and a great day. I encourage everyone to come up to MRYC and participate.

There are some sign-up sheets on the Fleet Captains board. I would encourage everyone to look at the trips this year. We are sure to have a good time with our Fleet captains Tom and Greg.

Your Commodore, Tony Blank 419-574-2674 ronski08@gmail.com

Report from the Rear Commodore

Vice Commodore Steve Suffety

Greetings Everyone! Boating season in Northwest Ohio is underway. We've been waiting for the weather to break and it finally has. The yard is getting busy and boats are beginning to appear in the lagoon. Our seasonal neighbors are coming back and we are happy to see them. We have two new members as of April 12: Please welcome Steve Schuldt and Tim Swisher to the family. We also had four first readings for new memberships on April 12. They are Scott Aldrich, Doug Avery, Bob Decker and Karen Joyce. These candidates will have their second readings and vote on April 26th. All candidates have passed their AYC background

check. Lady Lori and I have had an active month. I attended AYC's Vice Commodore Joe Petersberger's Nine is Fine Bowling Fundraiser. We had a great time and it was well attended. On the following day we took part in the BVYC's Booze Cruise. We had 2 buses and stops at Huron Yacht Club, Mon Ami, Port Clinton Yacht Club, Lakefront Yacht Club and Coolie Canal Yacht Club. We had a great day!

The following week we attended Toledo Ice Yacht Club's Banquet over at Tamaron Country Club and then on April 1st we attended Toledo Sailing Club's Reverse Raffle. On Friday April 7th Lori and I headed over to Maumee Bay Lodge to meet with the rest of the ball committee and help with the hospitality room and banquet room. The morning of the 8th we picked up where we left off on the banquet room. At 2 pm the pre-glow was on; it was time for the Bridge to enjoy while the rest of the committee put on the finishing touches. This was the first ball committee I've been a part of and it was amazing to see this whole thing come together. It was like watching a well-oiled machine. They= committee did a fantastic job and the compliments received were many. I think everyone there would agree The Tony Awards was a big success! Both Tom Blank and Scott Kneisel did a fine job roasting Tony. And our youngest commodore ever delivered a great speech. We were blessed with a beautiful sunset and there were silver sporks everywhere, along with great décor, great food, great music, and most of all great people. We have pictures on the monitor and pictures on our website to show off the evening. One of my favorites is a picture of Sharon Kneisel and Laurie Patlin near the end of the afterglow party... Sharon has a spork in her hair...

I didn't get the metaphor... at first. Put a spork in me I'm done! See you all at the club!

Sincerely, Vice Commodore, Steve Suffety / (419) 206-9522

Report from the Rear Commodore

Rear Commodore David Krell

The May newsletter is upon us. Finally, the shrink wrap is coming off the boats! I can feel the warm summer days on their way.

Since the last newsletter we have had a few more events and I would like to share the results with you. The Children's Easter Party was a great success! We had about 25 children in attendance. A huge thank you goes out to Sue K., her daughter, and grandsons for stuffing 450 eggs with candy. Lady Courtney provided the activities for the kids in the way of bunny masks, Easter wreaths, watercolor paintings, with balloon and egg games.

Last, but not least a special thank you to Laurie P. for hopping in for photos.

Lady Courtney and I attended Commodore Tony's Ball at Maumee Bay State Park and Resort. The Ball Committee did a wonderful job of bringing the glitz and glamour to the ballroom. A special thank you to all the PC's for making sure the current bridge was well hydrated from our receiving line until well after dinner.

We had the South of the Boarder Party as a fundraiser for the Opening of Port. We had a full house and everyone had a great time dancing the night away.

Upcoming Events include the Opening of the Port on May 27th. Lady Courtney is planning a Bingo night for \$20 with prizes being items from Thirty-One (handbags and organization items). Please give her some feedback on which night of the week would work best by calling 419-290-8751 or emailing at ckvuich@gmail.com. I am actively working out the details of bringing back the Margaritaville Party with a possible date of June 5th. After the 5 Club Poker Run we could enjoy great food and fabulous music on our patio and inside the club. My thought was to push back the date until June, so more members would have time to get their boats in the water. Then we would all have fun and have a safe place to stay if needed. If you still need work hours to fulfill your first half of the year, this party would be a great way to get them.

Thank you for your continued support. I look forward to seeing everyone in the water soon with warmer temperatures in the next few weeks!

Rear Commodore,
David Krell

Special Announcements

Shrink Wrap disposal and Yard clean-up

Again this spring, as in the past few years we will have a large Dumpster placed in the yard. Please place all unwanted shrink wrap material, straps, bands, lumber, etc. along with any other unwanted items found in our lagoon and yard in this Dumpster. This will arrive sometime mid May for a week to 10 days, so please check with Yard Chairman Mike DeAngelo as to a location to place the unwanted items prior to its arrival.

Inter-Lake Yachting Association (I-LYA)

The Powerboat Regatta and Junior Powerboat regatta are scheduled for August 9-13, 2017. Registration forms will be available at www.i-lya.org by about May 1^{st} .

If you know that you are going to attend the Powerboat regatta please register as early as possible as this will help the Dock Committee plan the dock assignments. The late and last-minute registrations really make their task challenging.

The Powerboat Regatta is seeking a chairman for the Chicane contest. For more information contact Scott Kneisel. Additionally, as was done in 2016, volunteer drivers for the courtesy shuttle golf carts will be needed; a sign-up sheet will be posted at PIBYC.

The Junior Sail Regatta will be held July 16 - 20 and the Sail Regatta will be held on August 3 - 6. Information for these events is also available at www.i-lya.org. Separately, the I-LYA News is now available; if you were previously subscribed to it please re-subscribe on the website.
