## Report from the Commodore

Over the past month Christina and I have had the privilege to represent Bay View Yacht Club at many Regattas and Homecomings. Some by boat, some by car, some were close and many were far. At the end of June we had a good time at Wyandotte Yacht Clubs Cocktail reception and later that evening we made it back down south to spend some time at Indian Hill Boat Club for Party on the Hill. The first weekend of July it was Swan Boat Clubs Regatta and Cocktail Reception. The next two weekends everything was pretty much at this end of town, Ottawa River Yacht Clubs Regatta on July 11-12<sup>th</sup> and July 18-19<sup>th</sup> was a triple header- River View Yacht Club, Indian Hill Boat Club and Perrysburg Boat club. A busy month, but plenty of fun.

Speaking of Homecomings, Bay View's will be here before you know it August 15<sup>th</sup>-16<sup>th</sup>. Make sure you come out and spend some time with your Bay View Family. Bring your friends, family and neighbors and show them what a great Club we have. Also if you have any spare time your help would be greatly appreciated. There is a sign-up sheet at the club house, you can contact Homecoming Chairman Tony Blank or just show up there will be plenty to do. Hope to see you there!

A note on work hours; The Boards reminds members of the following:

1. Members must complete a work hour slip for credit
2. Only the Committee Chairman for that task is to sign the work slips, not Board members or Chairmen from other committees.
3. Part of the Chairman's duties is to check and sign submitted work hours slip weekly for processing.
4. Work slips need to be legible as to who signed it and who the member is seeking work credit.
5. Any work provided to the Club needs to be documented to allow work credit.
6. Members will be billed for hours if there is no documentation provided.

Thank you for your help on this matter.

Have a safe and fun summer.

Hopefully you have all been enjoying it.

## Report from the Rear Commodore

Rear Commodore  
Douglas LaLonde

Hello members I hope everyone is having a good summer and fun-filled time.

This has been quite a busy month for Erin and I with all the good weather we have had. Erin and I have been able to attend a few of the local commodore receptions and make a few trips on the boat to other clubs to attend their events.

To Start, we are having issues with the galley Fridge and Freezer doors being accidentally left open. Please be mindful to make sure they are closed, if you place items in there temporarily. Hundreds of dollars of food was recently thrown out because the doors were left cracked open. I have personally been down there and witnessed this. Thanks for your cooperation.

To move on to events the Club has three major events for August. Erin and I are hosting a Hand Cut Pork Chop Roast on the Saturday the 9<sup>th</sup>. Then on the 15<sup>th</sup> and 16<sup>th</sup> Bay View is hosting their Annual Regatta in the Parking Lot, this is a very fun time invite your family to come out there will be live bands both Friday and Saturday. Lastly, on Saturday Aug 30<sup>th</sup> we are have the lighting of the Grill Party it will be the first Official Steak and Chicken Roast on the New Gas Grill Please come out and Celebrate the completion there will be a return of the ZODIAC Click Band for this Event please look for flyers posted around the club.

Every please Enjoy the Rest of the Summer and Hope for Continuous good Weather

Yours truly, Your Rear  
Doug Lalonde

## **Report from the Auxiliary**

Hopefully everyone had a great 4<sup>th</sup>. We couldn't ask for better weather. We had a nice turn out for our Potluck on the Patio prior to our meeting on July 9<sup>th</sup>. I apologize for not having a report in the July Bay View News, I was out of town and sent it via library computer, but it wasn't received. So I guess it floating out in space somewhere.

The main topic of discussion at our July meeting was Homecoming. The Ship Store will be open for business. Erin has been busy ordering the clothing and getting it embroidered so we will have a nice selection. We will again be selling Baked Goods, and ask, if you are able, to provide items for the Bake Sale. Please bring them marked and ready for sale. Please be aware that we have very limited space for items that need to be cooled. We will also be selling Pizza this year. Linda Gaertner has graciously offered to chair the Pizza Sales.

Homecoming signup sheets have been posted at the Club. Please plan to get involved. Any time that you could donate will be appreciated.

Our next meeting will be September 10<sup>th</sup> at 7:00pm, Board at 6:30pm. We will have a guest speaker. I hope to see everyone at Homecoming.

Auxiliary President

Sue Kroma

## Letter to the Auxiliary

As I am sure you all are aware, the Auxiliary is in dire need of more participation by its members. For the last two years the Officers and Board have continued to keep the Auxiliary alive. We now only meet quarterly. We have cut back on most of our fund raising, which, in the past had given us the opportunity to contribute and give back to the club. We have had to eliminate or cut back on all of our sponsored activities. Some of these activities that are a BVYC tradition and the members still expect, such as the children's parties, had to be picked up by the Main Membership. We still have an annual Charity but have reduced the Homecoming commitment to Baked Goods and the Ships Store. This has all happened due to the lack of volunteers. It is a burden to the people who do volunteer to continually ask them to work the entire weekend.

We previously sent out a letter asking for input regarding the Auxiliary. We only received a 25% response. The main feedback we received was to have some sort of entertainment at the meetings, such as a speaker, crafts, demonstrations, etc. We have taken this into consideration and would like to implement this however, we need participation. We had a speaker at our April meeting and did have a higher than usual attendance and it was nice to see but then at our July meeting, with a Potluck being served before the meeting, we only had 4 members attend. The rest were Officers and Board. This was the meeting prior to Homecoming and was important due to the decisions that had to be made regarding what the Auxiliary would like to do at Homecoming. So again it was up to the Board with the blessing of the four members who did attend.

With your help, the Auxiliary can continue. We need your fresh ideas! We don't expect a huge commitment, only the time you have to give. I encourage you to "step up to the plate" and support your Auxiliary. If you would like to run for an office, there are people who will assist you. There are sitting Board Members that can also help along with other members that have been in those positions.

The Bay View Auxiliary has been around since 1947. They have always been a beneficial part of the Club. They have contributed not only socially but monetarily. Many worthwhile projects have been accomplished through the Auxiliary's efforts, such as bar stools, chairs on the main deck and the remodel of ladies restroom. I sincerely hope that each of you will think about what the Auxiliary means to the Club and how you can contribute. Please consider attending a meeting to find out what is happening.

Our next meeting is September 10, 2014 and we will have a guest of interest. The following meeting is November 12, 2014. This will be our Election of Officers.

We hope to see you at Homecoming, our September meeting and especially the November meeting.

Officers and Board 2014

I can plan on being at the club before the regular meeting on Aug. 13th for some hands-on training for any member who would like.

**BVYC is using email blasts** for reminders and special announcements. Please be sure to submit your email address to be on this list. Also, we need help with beautifying the club for Opening of the Port and the summer boating season. Please pick up after yourselves and others.

### **Reminder from the Dock Water Committee**

Dock holders are responsible for water hose leaks. Leaky hoses will be shut off if found during regular dock water inspections. Do Not Remove Backflow Devices when you change docks.

### **From the Boat Yard Chairman**

All trailers and sail boat cradles must have your name and phone number to be stored at BVYC.

Please remove all personal items including boat stands from the yard. We will be cleaning the area soon and removing items that do not belong in the yard. Members with dock boxes should abide by rule 21 which states that they should be over the water or against the fence, not in the stoned area of the yard

## Homecoming 2014 Update

Hello Bay View, Just wanted to drop a note and let you know where we are at in preparing for this year's Homecoming. The event is August 15-17 this year and is right around the corner.

We will be entertained Friday night by The Cheeks, and Saturday by Venxy, a crowd pleaser from last year's event. Both bands are sure to give us two great nights of music and dancing.

Now on to workers, we have most of the chairman spots filled and thank them for stepping up to the plate. With that being said we will need many more people to step up, tear down, and help out so we can make this a successful event. I would encourage all members (especially new members) to stop out and work a couple hours, even just two hours would be great! We will be putting up sign-up sheets in the club house in the next week.

I will have more information and updates in our regular meetings this month . Thanks again to all the members that have already stepped up and looking forward to a successful event this year.

Thanks,

Tony Blank
