Report from the Commodore

"So, how did they talk you into this?" "This is so not you..." This was the question my slightly older brother Tim asked of me when I shared with him that I was going to be Rear Commodore at BVYC. It was a fair question. I like to work hard but at the end of the day, I just want to hang with friends and family and have fun. So why did I decide to take on the challenges of running through the chairs? It had a lot to do with being asked year after year, a vacancy late in the season, Tony Blank's persistence, and knowing that the pressure applied to run for Rear Commodore and through the chairs would be greatly reduced once done. I'm thankful for all of that. I've learned a great deal about the club and how it works. I've made more friends these past 3 years than I have made in a lifetime. And I have to admit it's kind of cool to be at our club or other club functions and be recognized as BVYC's 2018 Commodore. Why do I mention all of this today? We are in need of a Rear Commodore for 2019. We need someone to throw some parties and keep track of renting out our rooms. We need our 2019 Rear to become our 2020 Vice. We need our 2020 Vice to interview people for membership and make them feel welcomed. We also need our 2020 Vice to become our 2021 Commodore! And finally, we need our 2021 Commodore to become BVYC's one and only 2021 Past Commodore. Each of the chairs prepares you for the next and many of us will be there to help if needed. All you have to do is ask. You won't be in it alone and rest assured, if you are worrying about messing it up, I've set the bar quite low. And I did it just for you. Sometimes you just have to take one for the team, or shall I say the future team. If you have commitments next year, not a problem, I was still able to golf and keep up with activities my Rear year. My Vice year was a little busier however I still had time for golf and other activities until that fall, that's when things picked up. My Commodore year is a busy one with a lot of commitments however; the commodore year is an Experience of a Lifetime! And when it is time for you to pin 2022, the P/C's will be there to welcome you to their team for you will be BVYC's 2021 Past Commodore...Forever! Tony Blank once said to me, "You are planning on running through the chairs someday, why not now?" So I pass his question on to you. Why not now? It's an experience of a lifetime. Come join the team!

Report from the Vice Commodore

**Vice Commodore
David Krell**

Wow the summer has just flown by; my Vice Commodore year is more than half over. As I walked into the club the other day Steve gave me a little toast, "Cheers to this guy who is going to be Commodore in 170 days." I guess he's got a countdown happening! Until then here is what Lady Courtney and I have been up to the last month.

On June 23 Lady Courtney and I attended the 2nd Poker Run stop of the year at Harborview Yacht Club. As always they had a nice cocktail party and we stayed for their steak roast dinner. Thank goodness I took the boat over on Tuesday night as docking was full on Saturday. If you haven't been there in a while stop over and enjoy their new patio bar.

The following weekend June 30th, we attended the Luna Pier Fireworks hosted by Doug and Vicki. Best view for the fireworks in Luna Pier. Thank you for opening your home to the Bay View family to enjoy the fireworks alongside you.

On July 4th the Blue Gavel grilled hamburgers and brats for a late lunch, early dinner, or just a good base for the rest of the holiday evening. It was great to support them before heading downtown for the fireworks. For those who missed the fireworks downtown, I swear they were bigger than ever before. A side note for this event, is that you can see the Patlin's boat and ours on the front page of the Blade near the first tower.

On July 7th we held a Bloody Mary Bar for a ball fundraiser. Thank you to PC Cashmen and Lisa Collins for their help. It was a slow start but we sold a few to some thirsty patrons. Reminder...Bloody Mary Bars are held on the First Saturday of the month. Later in the day the Trojan headed off to the Ottawa River for the next Poker Run, stop #3. If you're wondering, how long it takes to get from Bay View to Ottawa River Yacht Club when idling on one motor, the answer is one hour! Lady Courtney and I attended the cocktail party and also were able to stop by Bay View's cocktail party at ORYC aboard fleet captain Randy and Jen's boat. Later in the night we went home and brought the dogs back to enjoy the night and they got some extra attention from those who saw us walking through the crowd. I know the dogs liked the extra love but took a few days to recover from getting on and off the boat.

Sunday, July 16th we made the big move down river to Riverview Yacht Club for stop #4. It took a little patience for boats to clear out but we ended up with a great dock at RVYC too. Arriving early to the poker run stops enables a boat to get an awesome dock or maybe it's being a Vice Commodore! Friday July 20th Lady Courtney and I attended Riverview's Regatta, there was a little rain but that did not keep the crowd away. I must say they had a wonderful thin crust pizza and electric lemonade drinks. The next morning our day started off early at Perrysburg Boat Club for the ground breaking ceremony followed by their cocktail party. The rendering of the new clubhouse looks great and we are excited to see them moving forward. Later that day we returned to Riverview for their cocktail party and remained there for the evening.

Please be on the lookout for upcoming ball fundraising events. Currently we have scheduled a chicken and shrimp kabob dinner for August 3rd from 6-8. We are also planning for a breakfast with accompanying Bloody Mary and Mimosas Bar on Saturday morning of Homecoming. More events will be on the way, so look for flyers at the club. If you haven't seen the post on Facebook, please sign up for BVYC Text Message Reminders by texting the number 81010 with the message @bvyc. We'll text message you reminders of club events so you're never out of the loop! Please see Lady Courtney or I if you need help.

Please remember to continue to bring your family and friends out to the club and we are continuing to bring more members in. If you have any questions regarding membership, please let me know. Thank you.

Report from the Rear Commodore

Rear Commodore

Happy summer to all. The boating season is well underway and hope most have been able to attend the club cruises and enjoy the season. I myself have had a boating set back this season but Lady Moe and I are doing our best to overcome this frustration. We have attended Harborview, Ottawa River and Riverview's cocktail parties and regatta. We have had a blast at them and was happy to see quite a bit of participation from our club.

We are planning an evening of Name that Tune. This is something that everyone can have fun with. I am currently confirming the date. As soon as I have that it will be posted so we get good participation.

We are also planning on doing some other dinners, but this is also the fund raising time for Vice Commodore David Krell. I will also be helping him with that.

I hope a lot of you were able to stop by the club and wish Doug & Vickie safe travels as they are heading to Florida on their boat taking the north loop. Sounds exciting and I am looking forward to pictures and updates.

Just a reminder that if you would like to rent the club for your parties please fill out the paperwork and contact me for the available dates. The dates remain open until the paperwork is filled out and your deposit has been received.

I would also like to thank everyone for their support and if you have any suggestions please don't hesitate to contact me.

Safe boating travels to all.

Rear Commodore,
Chuck Martin

BVYC has had an entry for the past few years in the Holiday parade that routes through downtown before Thanksgiving. If you haven't participated or have not seen the pictures, you should check it out. Everyone is decked out in Dr. Seuss costumes and we've also added passing out books as we walk the parade route. While you are doing spring cleaning, checking out garage sales, etc. to look for any new/slightly used Dr. Seuss books for kids. Please donate them to BVYC so we can pass out more books this year during the parade.
