Report from the Commodore

**Commodore
Mark Gensler**

Last month Tina and I attended Swan Boat Club Ball, Honoring Commodore Jim Carpenter and Lady Amy at the Southgate Holiday Inn. A very nice event and a good time were had by all. The following weekend it was off to Ford Yacht Club for the Opening of the Isle. This is a great Event and very well organized, we enjoyed the Boat Parade, looking forward to returning next year. The first weekend of June was the kickoff of the Regatta/Homecoming season, that Saturday afternoon we attended Toledo Sailing Clubs Cocktail Reception for Commodore Dan Maenle and Lady Mary. Later that day we headed to Cooley Canal Yacht Club for Commodore Phil LaCourse and Lady Cathy's Reception, made it all the way to the entrance to the canal and had to turn around because of an idle issue with the boat. June 22nd it was off to Harbor View Yacht Club for their Regatta and Reception for Commodore Raleigh Taylor and Lady Kathy. Almost every weekend this summer one or two of the AYC clubs is having a Regatta or Homecoming, if you have the time try to attend a few of them, you will have a good time, meet a lot fun people and help support their Club.

Speaking of Homecomings, ours is just around the corner August 15th-16th. Your Help is needed, if you have a few hours you could spare it would be greatly appreciated. If you're interested get a hold of Homecoming Chairman Tony Blank or keep your eye out for the sign-up sheet, they should be out soon.

I would express my appreciation for the work the Board of Trustees have been doing this year and in years past. After attending the Board meeting for the last year or so, I have seen all the hard work they do, the long meetings and the many hours of follow-up. If you ever have problem please feel free to bring it to the boards attention, either by a letter or attend the meeting. From what I have witness this year the Board really cares about each and every member and the club, and will do whatever they can within their powers to make things right.

Happy Boating

Sitting here thinking WOW we couldn't get summer here fast enough after the rough winter.

As I write this it just hit me that it will be July--where did the time go???????

Glad to see more and more people coming out to the club to enjoy the activities that have been happening.

TSC and CCYC regretta's were very nice and we had a good time .

TSC and BVYC had a WONDERFUL weekend with the visits to each club and what a great turn out. Thanks to everyone what a great job and especially to our fleet captain Chuck Martin for putting it all together for us.

July will be packed so come out and have some fun--summer is going too fast.

I will be sending out the upcoming events for the fund raisers I will be having for the Commodore's ball in the next week or two --finalizing all the dates. Hopefully you will be able to attend all of them or some of them and have some fun.

Reminder we need help on the grill project.

If you see something that needs to be done around the club please notify the correct chairperson to make sure it gets corrected.

Until next time-----Have a safe and fun filled boating season.

V/C Colleen Cashman

Being Passed on from P/C Scott Kneisel

All I-LYA Power boaters,

Trustee President, Ron Soka and Island Liaison Committee Chairman, Bryan Huntley have had several conversations with the Village of Put-In-Bay and with the Project Manager of the new dock project on the Island. All are extremely confident that the new "A" Dock will be ready for the I-LYA 2014 Regatta (soft opening is scheduled prior to Christmas in July weekend). We want to assure our power boaters that the Village and I-LYA are ready for our annual Regatta.

As always, there had been a "Plan B" in place in the event that mother nature or another external force would have caused delays that would have affected the regatta.

WE NEED YOU TO PLEASE REGISTAR ASAP....the future of the Power Boat Regatta largely hinges on participation. There is a substantial financial commitment made by I-LYA and the Commodore to secure docks, event venues, activities and equipment that cannot be recouped if registrations and participation fail. Please get word out that were are a go, and that the Regatta is moving forward as planned. If anyone should have questions, please feel free to contact any member of the Board Of Trustees, Flag Officers or member of the Power Boat Committee at any time. Contact information can be found at www.i-lya.org

We hope to see everyone at the Bay and we look forward to a successful 2014 Regatta.

Thanks

Report from the Rear Commodore

**Rear Commodore
Douglas LaLonde**

Hello again summer is finally here I hope you are enjoying it.

Erin and I were able to go to a few of the summer functions. We attended the social at Maumee River for Opening of the Port, the Commodores Reception at Harbor View and Toledo Sail Club on Saturday the 21st. Overall, the club swap went well on Friday the 20th. It was well attended. We sold 95 dinners. I'm glad to see that the club members came out to support this function.

I have a few quick reminders. I need to address that when you rent or use the galley kitchen, you must bring all your own supplies. The use of any perishable products or non reusable products belonging to the club for private parties will result in a charge to your membership account. If you borrow any items, you must replace them before your deposit is refunded. Also the galley kitchen must be cleaned after any use whether it's a club function or private party. We do not have a contract with the cleaning service to clean the dishes and wipe down the equipment. You are responsible for your cleanup including emptying the trash and taking it to the dumpster. To move on, the club will be hosting a cookout for the 4th of July before the fireworks and a Caribbean Crawl on Saturday - best drink wins a prize. There will also be a prize for best lighted boat come out and decorate the boat with lights. I'm trying to arrange a Sunday Fun Day at Wood tick Lakeside on the 6th of July - weather permitting.

That's all for now, Your Rear , Doug

**BVYC Memorial Fund Potluck
& Dedication Ceremony**

July 12, 2014

The time has come to recognize our donors and their gifts. The first three gifts are trees planted last fall from dock 36 towards the gas dock.

The first tree given in honor and memory of Roma & Lieota Paule, long time members from the 1950's given by P/C Don and Lady Judi Rogers (Judi's Grandparents).

The second tree given in honor and memory of P/C Donald Bourdo given with never-ending love by the Bourdo Family.

The third tree given to honor the Tobian Family name, by 40-year members, Robert & Helen Tobian, whose son Kevin happens to be our newest member.

Our newest lighthouse comes to us by way of committeeman, Jim Ciesielski. Jim gained enough support, made the call to builder member, Jerry Thompson and recommended that it stands in memory of Barb Vermett-14 year member and 38 year employee.

The AYC class of 2001 is making donations for our fourth tree to be in memory of their classmate and our 2001 P/C Dennis and Lady Jaworski. This is a class with a lot of class.

I was honored to represent Lady Donna Wagner at the June 11 meeting and to make the motion for our club to accept the gift of one AED. Motion seconded, passed and ordered by Damian Pfliegaar. Some training to follow. AED stands for automated external defibrillator. I was the only one at the meeting that had ever received a life saving jolt-soon to be 14 years ago. Thank-you for this fantastically generous gift, given out of love, respect and honor of her husband and our friend P/C David Wagner. Maybe we will never use it? Let's get trained!! Just think on any given day, anyone of us could save a life. AMEN.

Other donations received from: James Byrne in honor and memory of his parents P/C Harold & Lady Thalia Byrne 1963. Bob Mix donated "because I think it's a good program," and Alan Bremer took a collection at a meeting to honor Milton Calcamuggio.

We thank each and every donor for your gifts. You have helped make us a better club in many ways. Look around, we are proud! If I have forgot anyone please let me know. See you at the potluck!

**Respectfully Submitted,
P/C Don Rogers**
