## Report from the Commodore

**Commodore  
Anthony Blank**

Hard to believe that August is almost over!! The last 4 weeks have been very busy! I attended SSBC's first regatta and poker run, what a blast that was. For their first poker run they knocked it out of the park! After that it was off to PIB for the I-LYA power boat regatta. BVYC had a great turnout as usual and was able to bring back several awards this year, including 1<sup>st</sup> place in participation and 3<sup>rd</sup> place in volunteerism. Tom Blank won the coveted Commodores Cup, the highest award that was passed out for the events. There were also SEVERAL other members that placed and got awards for on the water activities. Congratulations to everyone that attended and participated!!

Soon as we got back from a week on the island it was full speed right into BVYC Homecoming! What an amazing weekend. The weather was great, entertainment, and also the food! Again thanks to everyone for their help and support making this a successful event. I would like to give a shout out to the 2017 Homecoming chairman Brian Rogers! He was at the club all week getting things set up and organizing everyone that was helping out. Job well done!!

Upcoming club cruise to Maumee Bay State Park is scheduled for September 15-16. Hope to see everyone there, this is always a fun gathering from the club and also happens to fall on my Birthday this year (9/16) so it's sure to be a good time.

Also our BVYC Color cruise for 2017 will be held on October 14<sup>th</sup>.

Your Commodore,  
Tony Blank

## Report from the Rear Commodore

**Vice Commodore  
Steve Suffety**

I'm writing this article 3 days after our Homecoming and I am just starting to get my energy back. What a great weekend we had! Hats off to Brian Rogers for heading up Homecoming, Sharon Kneisel for heading up Tony's awesome cocktail party and everyone else that worked their absolute tails off making this a successful fun-filled weekend! Thank you so much!!! We had 2 great bands and our very own Ken DeeJay Kasey Campbell filling in between sets and topping off both evenings when the bands had finished. And after the music stopped we made our way over to the pavilion to fill our bellies and then to the boats. For some the night was not over and continued into the wee hours of the morning. For me, I successfully escaped into the night not to be seen again until sunrise. Saturday morning came quickly as I headed to the golf course for the BVYC scrambles. My golf partners, the Trimmer's, were wide awake and ready to roll. How do they do that time after time? My cart partner Barb Pflighaar had lost her voice due to the Friday night festivities. It would have been a quieter ride if it had been me; however, I did attempt to keep my stories to a minimum due to our condition. I didn't dare make any jokes about how nice it was that she couldn't talk and no one else did throughout the day... except for Damian. I did hear her whisper something concerning his I.Q. and come to think of it, I didn't see him the following day. Hmmm.

We have had new membership meetings with Trevor Roby, Randy Scherf, Ryan Miller and James Knechtges. Trevor's sponsors are Stacy Slicker and Walt VanDromme. Randy's sponsors are Doug Berry and Timothy Krell. Ryan's sponsors are Walt VanDromme and Tony Blank. James's sponsors are Damian Pflighaar and Chris Sackett.

If you are looking for some summer fun, TSC will be having their Lobster fest on Labor Day Weekend. Lady Lori and I will be joining them. We will have Johnny Rodrigues on our boat playing topside at the sand bar on Saturday. They will have live music in the evenings and, of course, lobster! We have lobster order forms at the club. Check out their website for more details.

Last but not least, let's talk about some bowling. Did you know that the AYC Bowling League is the oldest league in Toledo? I've been bowling in this league, except for a short break, with and sometimes against my father and brother since 1983. I have bowled in a few other leagues as well and I am here to say, the AYC Bowling League is the best!!! I have met a lot of great people and have a lot of great memories over the years because of this league. Now, if you aren't a talented bowler, no worries. This league is all about enjoying the evening. If you are a talented bowler, no worries, there is talent to compete with. We bowl at The New Glass Bowl Lanes on Thursday evenings. Shadow balls start at 6:15 with bowling starting at 6:30. It's \$13.00 per person and yes, you ladies are welcome and encouraged to join the league. So put together a team, or if you don't have one, we will find you one. It's a great way to beat the winter blues and hang out with other AYC members. Reach out to me if you are interested. Now get out there and enjoy the final days of summer!

## Report from the Rear Commodore

**Rear Commodore  
David Krell**

Our boating woes still continued this month from an overheating engine, fiberglass work, head gaskets, and a flat camshaft. Thank you Lady Courtney for your patience over the last month. I know this wasn't your ideal month of summer with me in a bilge, instead us boating together.

Lady Courtney and I have returned to booked weekends! On July 22, we attended Monroe Boat Club's cocktail party and ended up staying late! We enjoyed the music, our classmates, and the hospitality of our AYC Rear Commodore Tom and Lady Patty Kovach on their boat. MBC had blown a transformer the night before and they worked so hard to have the power back on in time for a wonderful cocktail reception.

On August 4<sup>th</sup>, we had a delicious steak and chicken dinner. We just missed selling 70 dinners, ending with 66 sold. We sold out of steak and probably would have sold out of everything if I had ordered more steaks!

ILYA week was August 9<sup>th</sup>-13<sup>th</sup> at Put in Bay. Thank you to Steve and Timothy for getting the cam shaft in the Trojan Monday and buttoned up before our Wednesday morning departure. I really don't have words to describe ILYA. It seems the more we get involved, the more fun we have! The week just sailed by! On Saturday while I decided to take it easy, Lady Courtney was enjoying the Ladies Tea. I'm not sure where my "take it easy" part of the day went, as I joined Josh Kneisel in the two man boat races. He's a great captain and I may be just a little out of shape! We won our first race but I couldn't recover fast enough to take the second win of the day. If we weren't at an event, we were getting ready for one. Lady Courtney and I were able to take a few minutes to stop at a winery or two and enjoy a few glasses of wine, which always puts a smile on her face. We even brought back a few bottles to enjoy as she begins a new school year. Thank you to all the Bay View members who participated in the weeks' events, we took home a ton of awards!! A special thank you goes to Scott and Sharon for all the work they do over the course of the week. Lady Sharon oversees the shuttles and Scott manages the putt-putt tournament....along with many other things I don't even know about!

Homecoming came and went so quickly! What an amazing job Brain and the Homecoming Committee did for this year's event! A huge thank you goes out to all the BVYC members that worked so hard to make this a successful event, it wouldn't be possible without everyone's efforts. Commodore Tony's Committee outdid themselves yet again! This time they made us all want to kick off our boats and have a good ol' time!! The spread of food was more than anyone could have imagined. Lady Courtney and AYC Rear Commodore Tom agreed that the cake balls were fabulous while I enjoyed the Blazing Saddles ham and cheese sliders!

Lady Courtney and I joined a number of other BVYC bridge members and P/C's in a trip to Ford Yacht Clubs cocktail party on Saturday August 19<sup>th</sup>. When you take a step back at other cocktail parties and see what they put on compared to what Bay View does, we are truly in a league of our own! Congratulations Commodore Tony and our outstanding club members for helping our club to stand out and shine!

Our upcoming events include "Back to School Movie Night Under the Stars" on August 26<sup>th</sup>. On September 8<sup>th</sup> the Meyers will be treating us to a Chicken Paprikash Dinner with chicken, dumplings and gravy, green beans, homemade slaw, rolls, and dessert for \$10!!

Thank you for another wonderful month,  
Rear Commodore, David Krell, 419-779-0883

## Special Announcements

### BVYC Lunch Bunch

It may not be known to everyone at BVYC that there is an informal group of members that meet for lunch the first Wednesday of every month. This group was organized by PC Joe Glorioso and from the invitations sent it goes back at least four years, probably longer. We usually go to a different place each month, with a group that averages fifteen or so people. We are usually seated at one table. This past month we met at Inkys at Detroit and Sylvania. If you would like to be contacted each month, or you want more info call or text Al Bremer @ 419-270-3724.

**A Big Thank You** to all who helped prep, serve, and clean for the Pigs in a Blanket @ Bvyc homecoming from Marcia Mayer and Lola Edens P.S. Get well soon Judi Rogers!
