## Report from the Commodore

How has three years flown by already? My mom says time flies when you're having fun and man was she right! There are so many emotions that I can't even put into words for how much I enjoyed being a part of Bay View's bridge over the last three years – what an absolute honor.

I can't thank the membership enough for giving me this opportunity of a lifetime to call myself the 2017 Commodore of Bay View Yacht Club. There is no way I could have done it without the support and encouragement of our membership and to all my committee chair members– what a truly great club and great family. And all the lovely ladies that accompanied me to the balls over the years – what an honor to have been your date and now this is why people know just how gorgeous our Bay View ladies are – thanks again for dollin' up and coming out to represent Bay View with me.

Last weekend I got to strut my stuff at the Downtown Toledo Holiday Parade as the Mayor of Whoville. Many thanks to those who participated, those who helped with the fundraiser, donated books (the children LOVED receiving books) and a special thanks to the Krell men for the use of their fire truck again – that is a huge staple for our success with our parade entry.

The AYC dinner on 11/27 was a HUGE success. Many thanks to everyone who contributed their time and hard work to make this event possible. Also congratulations to everyone who received a Poker Run Flag at that meeting. I am looking forward to honoring our 2018 Bridge – Commodore Steve Suffety, Vice Commodore David Krell and Rear Commodore Chuck Martin. I have no doubt that they will bring many great things to the table in years to come. Please continue to support them and help them strive for greatness for our club.

Our change of watch ceremony will be held on January 10<sup>th</sup> 2018. The meeting will begin downstairs at 7:30pm and resume upstairs. Please come out to honor support our 2018 bridge getting sworn in.

I sincerely hope that you all, my Bay View family, have a very Merry Christmas and a happy and safe New Years!

Your Commodore,  
Tony Blank

## Report from the Rear Commodore

**Vice Commodore  
Steve Suffety**

Hello Bay View,

I hope everyone has been enjoying the fall season. Lori and I sure have. We had a lot of fun at BVYC's Halloween Party. We had great costumes and great entertainment. Thanks to everyone who participated. We had a blast participating with BVYC in Toledo's Holiday Parade. We passed out just under 500 Dr. Seuss books. We could have easily passed out 2000. The kids ate them up. A big shout out goes to Sharon Kneisel who made this possible, and to Timothy and David Krell for their creativity and use of their fire truck. Thanks to everyone that helped put this together and thank you Bill Edens for capturing these moments. You can find them being displayed on our monitor.

Unfortunately we were unable to put the Feather party on in time for Thanksgiving. Time got away from us. We have postponed the party until March, just in time for Easter and of course spring and summer cookouts.

Our Basket Party is on December 9<sup>th</sup>. If you can donate a basket, that would be wonderful. We have flyers up in the club with more information. Jim Ross is putting on an Ugly Sweater Party December 16<sup>th</sup>. We have flyers up for that as well. This should be a great time.

We have been doing dinner and a D.J. on Friday nights. This has been a success and we plan on continuing this. The proceeds from Dinner and a DJ, the Reverse Raffle, the Basket Party, the Feather Party, and the Ugly Sweater Party are all fundraisers for the BVYC's Ball which is at Maumee Bay State Park on April 7<sup>th</sup>. More details on this to come.

Membership update: We'll be voting on Josh Schultt for new membership in December. Josh is part owner of Tri State Industrial Floors. His company did our floors here in the lower level. Josh has been boating most of his life. He has a ski boat and wants to upgrade to a lake boat. His sponsors are Tony Blank and Scott Aldridge.

We will also be voting on Larry Harris in December as well. Larry was a member at TYC and is currently a member at HVYC. He works at Williams Concrete. He has been boating for years. He enjoys our club's atmosphere and its proximity to his home. (West Toledo) His sponsors are Tony Blank and Steve Suffety

In close, thank you for a great year! I enjoyed being your Vice Commodore and am looking forward to being you Commodore. I hope everyone has a Very Merry Christmas and Happy New Year!

## Report from the Rear Commodore

Rear Commodore  
David Krell

Just like that winter seems to have arrived. Lady Courtney and I cannot believe that my year as Rear Commodore is nearly over. As usual we had a busy month filled with great Bay View events.

On October 27<sup>th</sup> we attended the Holiday Parade Spaghetti Dinner. The club looking positively Seussical with all the decorations! Great job to all the "Who's in Whoville" that helped with this event to raise money to purchase Dr. Seuss books for the Toledo Holiday Parade. Its always humbling to see so many members come out and support different events happening at the club.

On October 28<sup>th</sup> Vice Commodore Steve and Lady Lori hosted a howling good Halloween party. Lady Courtney and I really enjoyed dressing up as Peter Pan and Wendy. It was a welcomed change just attending an event that we didn't have to plan or do the set up work! This year we purchased a fog machine and other items that will help make next years party even better. If anyone knows the dinosaurs, please invite them again for next year!

Steve Suffety's Ball Committee is doing a great job hosting Friday dinners. November 10<sup>th</sup> they provided a tasty Salisbury steak dinner with music by DJ Ken. The following week we were treated to Steve Cummerow's smoked chicken dinner that was just mouth watering!

Bay View has been getting more involved in the community over the past few years and on November 11<sup>th</sup> we participated again in the Toledo Holiday Parade downtown. Bay View entertained the children in attendance with costumes that included Seuss favorites such as Cindy Lou Who, the Cat in the Hat, the Grinch, and many others. This year thanks to the parade committee's spaghetti dinner, BVYC members handed out over 400 Dr. Seuss books to children along the parade route! After the parade we all enjoyed lunch at the Blarney while watching the rest of the parade.

Lady Courtney and I would like to share some upcoming December dates with you:

**December 16<sup>th</sup>** will be our Ugly Sweater Party! This is a potluck event so please bring a dish to share while sporting your most amazing holiday sweater!

**December 17<sup>th</sup>** will be the Children's Christmas Party. Please make sure to sign up at the bar if you'll have a child at the Christmas party so Santa can give him/her a present. We would like a ten-dollar donation per child for the gift.

**December 31<sup>st</sup>** New Year's Eve Party....details will be on flyers at the club as well as on the BVYC Facebook page.

Just a reminder to all members that helping at these events is a great way to earn work hours for the end of the year!

Thanks,

David Krell, Rear Commodore

## Fleet Captains' Report

Greetings fellow members. Tom and I would like to thank everyone who joined us on the club cruises and at different events at the club this past boating season.

We hope everyone had a nice Thanksgiving .

We wish all a Merry Christmas and a great New Years.

Hope to see you' all around the club.

PC Greg and FC Tom

## Important Recall Notice

November 2, 2017

Dear Valued Customer:

Today, Kidde, in conjunction with the U.S. Consumer Product Safety Commission (CPSC) announced a voluntary recall to replace certain Kidde fire extinguishers. To view the release, please visit [www.kidde.com](http://www.kidde.com) and click on "Product Safety Recall Notice."

As communicated to you in safety notices dated August 14, 2017 and October 5, 2017, Kidde has determined that certain fire extinguishers can become clogged or require excessive force to activate, posing a risk of failure to discharge. In addition, the nozzle can detach with enough force to pose an impact hazard. As a result, the affected units are being recalled.

This recall involves two styles of Kidde fire extinguishers: certain plastic handle fire extinguishers and push-button Pindicator fire extinguishers.

**Plastic handle fire extinguishers:** The recall involves 134 models of Kidde fire extinguishers manufactured between January 1, 1973, and August 15, 2017, including some models that were previously recalled in March 2009 and in February 2015. The extinguishers were sold in red, white and silver, and are either ABC- or BC-rated. Models are as follows:
